Crow ranted, but at the mere thought that the Book of Names might still exist he was ready to set off for the Ninety Isles as soon as Tern liked. "She's going there, to the wall, and I can't go with her," she said. "She's going alone and I." "The Book of Names." "Heleth" ..were a woman's; and she was dead..order of field and garden, the building and care of the house and its furniture, the mining of. Highdrake of Pendor had taught him some of the runes of power. That was known lore. What Ember had. "Ah," said one of the women, the taller of the two, and she laughed. But she did not answer the gesture. At that Dulse looked him over again. No cloak, no staff..and mother and housekeeper, already made too much of Diamond's talents and accomplishments. Also..competition. But a finder can always find work, as they say...You ever been in a mine?". Anieb's mother nodded. "She'll hear it." He stood in his own form. He had not made the change himself. He stood alert, uncertain..his own clean comfortable home, even more different from the cold austerity of the wizard's house. "It was only a beast healer's manual," Crow admitted, when they were sailing on and he had calmed. Rose watched her. She knew she did not know who Man was or what she might be. A big, strong, "Well, I," said Diamond, and stuck..speakers (like most Hardic speakers) do not realise that their languages have a common ancestry.. "Sparrowhawk loved him. So did we all." Morred and Elfarran married, and the poem describes their reign as a brief golden age, the foundation and touchstone of ethic and governance thereafter. "Often. Seeing only boys and men, day after day, in the Great House and all the precincts of the School. Knowing that the townswomen are spell-bound from so much as setting foot on the fields about Roke Knoll. Once in years, perhaps, some great lady is allowed to come briefly into the outer courts. .. Why is it so? Are all women incapable of understanding? Or is it that the Masters fear them, fear to be corrupted - no, but fear that to admit women might change the rule they cling to - the ... purity of that rule." ..drank from it eagerly yet warily, as if long unaccustomed to hot soup. "Oh, pretty man," said one of them with a smile, "don't even show us what you have in your pack. little wisdom or gentleness with him. Maybe they were afraid of him. They bound his hands and the Dark Time, however, they were feminised and demonised in the Hardic lands by wizards, as they. only to make love you brought me here, Ivory," she said, "we can do that. If you still want to." "Double-hearted? You? You gave up wizardry because you knew that if you didn't, you'd betray it." he was cheating, hiding his power, a rival hiding his power? A jealous rival. He must be stopped, ..was silent and patient. laughed, but the old people said, "Look out. Take care. "Oh, sir," she said, and he knew he had done wrong. After a while Ayo said, "She went down to Firn with some of the young folk. To buy fleece from the." "Yes," he said with a smile. Then he winced and stopped to press his hand against his shin for a. "Yes," he said, "but only disguised. I won't put a semblance-spell on you till we're on Roke." "When he passed me," she said in a low voice, "I saw a grave." The wizard's eyes narrowed and his smile broadened. "First we must settle the matter that divides us," said the Windkey. "Listen, Nais," I said suddenly, "either I'll go now, because it's very late, or . . ." "son," he said. "And greater prizes to be earned." I stood there awhile, until I noticed, against the background of some further hallways --. "You're welcome," she said, and hoisted whatever it was into a massive pottery bowl, and wiped her hands down her apron. He knew nothing at all about women. He had not lived where women were since he was ten years old. He had been afraid of them, the women that shouted at him to get out of the way in that great other kitchen long ago. But since he had been traveling about in Earthsea he had met women and found them easy to be with, like the animals; they went about their business not paying much attention to him unless he frightened them. He tried not to do that. He had no wish or reason to frighten them. They were not men. "There is." Semere's cow pasture. You can see the ways from there. You need to find the center. See where to. in the flesh. Sometimes she frightened him, and he resented it. His dreams of her were never of her yielding to him, but of himself yielding to a fierce, destroying sweetness, sinking into an annihilating embrace, dreams in which she was something beyond comprehension and he was nothing at all. He woke from those dreams shaken and shamed. In daylight, when he saw her big, dirty hands, when she talked like a yokel, a simpleton, he regained his superiority. He only wished there were someone to repeat her sayings to, one of his old friends in the Great Port who would find them amusing. "I have the cheese money," he repeated to himself, riding back to Westpool, and laughed. "I do indeed," he said aloud. The black mare nicked her ear. Havnor openly. Men of arms didn't trust men of craft and didn't like to serve them. No matter what. the lead galley, whose hundred oars flashed beating like the wings of a gull. Sometimes he was. "Even if I knew it... When I'm with him I can't speak." ..disgusted, avoiding a pile of human excrement. "These creatures don't have books, Tern!" Quite early on, impatient with wooing her massive physical indifference, he had worked up a charm, ..excitement. "We'll go ashore in the morning," he repeated to her, and she nodded, acceptant.
