Adam excused himself from going out because he had some work to do, and Bobby and Susie had been looking forward to a musical comedy that was being given not far away that evening. Colman assumed that Kath would want to go with them, which would leave him flipping a coin over which show to see; but to his surprise she suggested a drink somewhere for the two of them instead. She explained, whispering, "Anyway, I've already seen it more times than I can count." So who was he to turn it down? Colman asked himself. But at the same time he couldn't avoid the sneaking feeling that it was all just a little bit strange.. The next part was going to be the trickiest. The information obtained by Stanislaw had confirmed that the outside entrances to the complex, which had already been bypassed, were the most strongly guarded, and the three inner access points to the Communications Center itself- the main foyer at the front, the rear lobby, and a side entrance used by the staff-were covered by less formidable, three-man security teams. The problem with these security teams lay not so much with the physical resistance they might offer, but with their ability to close the Communications Center's electrically operated, armored doors and raise the alarm at the first sign of anything suspicious, which would leave Sirocco's force shut with no hope of achieving their objective and facing the bleak prospect of either fighting it out or surrendering to the guard reinforcements that would show up within minutes. On the other hand, if Sirocco could get his people inside, the situation would be reversed.. "Is she a friend of yours?" Kath inquired.. when an alien starship pilot, evidently drunk or asleep at the joystick, crashed his saucer into the desert.. A dog. Black and white. Shaggy.. "D Company's resident miracle worker," Colman answered, but his voice was distant as he fitted the new piece- into the picture in his head. He made a sign to Sirocco to get Swyley up to the front of the room, and to a chorus of groans Sirocco turned back and suspended the briefing once again. "What's that?". "I sure hope not, ma'am. Waiters slipped off his jacket and hung it in the closet by the door after taking a book from the inside pocket. Fallows frowned but made no comment.. nonetheless rude, distracting Curtis and Donella from their mutual apologies.. To avoid using a compad in not-too-private surroundings, he went to a public booth in the lobby at Rockefeller's to call the number programmed to accept cabs only if she was alone. While Colman waited for a response, his mind flashed back six months. He had been standing stiffly at attention in dress uniform alongside a display of a remote-fire artillery control post that was part of the Army's contribution to the Fourth of July celebrations, when she wandered away from a group of VIPs sipping cocktails and stood beside him to gaze admiringly at the screens. carrying simulated battlefield displays. Whether the psychic wire or a good nose is responsible, she four rioters were left behind with sore heads or other minor injuries. While the Company medic began cleaning up the injured and Sirocco stood talking with the SD commander a short distance away, Colman watched Kalens's limousine drive away in the opposite direction and disappear. That was how it had always been, he could see now. For thousands of years men had bled and died so that others might be chauffeured to their mansions. They had sacrificed themselves because they had never been able to penetrate the carefully woven curtain that obscured the truth-the curtain that they had been conditioned not to be able to see through or to think about. But the Chironians had never had the conditioning.
