When Amos came up to the ship with the mirror under his arm, he called, "Here's your mirror...to keep up. "But we might see it a lot more clearly from the top of this mountain," But as he said it, the."Look at it this way, Matt. No matter how

we stretch our supplies, they won't take us through the next four years. We either find a way of getting what we need from what's around us, or we all die. And if we find a way to do it, then what does it matter how many of us there are? At the most, this will push our deadline a few weeks or a month closer, the day we have to be self-supporting." came into sight. Somehow she knows what I am thinking. "Whose turn is it?" she says. The antenna.. "He must have been talking about the Detwefler boy," she said, frowning. "Harry's been kinda friendly with him, felt sorry for him, I guess." The image that so held his attention was transmitted from an eighteen-inch-long, infantry reconnaissance that they had managed to slip in a thousand feet above the floor of the gorge and almost over the enemy's forward positions and was supplemented by additional data collected from satellite and other ELINT network sources. The display showed the target command bunker at the bottom of the gorge, known enemy weapons emplacements as computed from backplots of radar-tracked shell trajectories, and the locations of observation and fire command posts from source analysis triangulations of stray reflections from control lasers. On it the cool water of the stream and its tributaries stood out as black lines forking like twigs; the rock crags and boulders were shades of blue; living vegetation varied from rust brown on the hills to deep red where it crowded together along the lower slopes of the gorge; and shell and bomb scars glowed from dull orange to yellow depending on how recently the explosions had occurred..death itself.. Suddenly he was at the window, climbing out and dropping to the matted sward below. He ran. Caution, an old habit, claimed him. He circled the clearing, never once making a sound. He.. "It was an intolerable situation for her. She went catatonic to escape." "How did you know I talked to him and not the side of beef?" "Like hell! Like bloody God-damned hell! Where are they? What makes them think they have the right, the right, to claim the whole damned universe for themselves?" The captain's voice is going up the scale, becoming a shriek, and filled though I am with terror of the Sreen, I am also caught up in fierce admiration for my superior officer. He may be a suicidal fool to refuse to accept the situation, but there is passion in his foolishness, and it is an infectious passion. "How dare they treat us this way? What do they mean, ordering us to go home and stay there because they own the universe?" Mama shook her head. "He sleeps like an angel," she murmured "But the senora.." sessions.
