It took him a long time to cross the cavern. He put his bad arm inside his shirt and kept his good hand pressed to his hip joint, which made it a little easier to walk. The walls narrowed gradually to a passage. Here the roof was much lower, just above his head. Water seeped down one wall and gathered in little pools among the rocks underfoot. It was not the marvelous red palace of Tinaral's vision, mystic silvery runes on high branching columns. It was only the earth, only dirt, rock, water. The air was cool and still. Away from the dripping of the stream it was silent. Outside the gleam of werelight it was dark. "Stay." "In Havnor, years ago, I was in servitude. Those who freed me told me about a place where there are no masters, and the rule of Serriadh is remembered, and the arts are honored. I have been looking for that place, that island, seven years." "Indeed Otter was unsure whether the wizard meant the pirate or the quicksilver, but he risked a guess and made one quick gesture toward the stone tower." "Some flurries," he said. She got a good look at him now in the light of lamp and fire. He was not white high-held explosion of unbelievable wings; between them, columns, made not of any. "Completely?" she asked with sudden interest. "The key," Gelluk repeated, urgent. They were both shy. When Medra took her hand his hand shook, and Ember, whose name was Elehal, turned away scowling. Then she touched his hand very lightly. When he stroked the sleek black flow of her hair she seemed only to endure his touch, and he stopped. When he tried to embrace her she was stiff, rejecting him. Then she turned and, fierce, hasty, awkward, seized him in her arms. It wasn't the first night, nor the first nights, they passed together that gave either of them much pleasure or ease. But they learned from each other, and came through shame and fear into passion. Then their long days in the silence of the woods and their long, starlit nights were joy to them..knew why he had never sought reconciliation with his father.. "I am," he said, his composure regained..also long for the unalterable..The light went with her. He was alone in the dark. The cold grip of the spells took him by the throat and choked him, bound his hands, pressed on his lungs. He crouched, gasping. He could not think; he could not remember. "Stay with me," he said, and did not know who he spoke to. He was frightened, and did not know what he was frightened of. The wizard, the power, the spell... It was all darkness. But in his body, not in his mind, burned a knowledge he could not name any more, a certainty that was like a tiny lamp held in his hands in a maze of caverns underground. He kept his eyes on that seed of light..She was silent..Gelluk had made him foreman over the miners, Licky said, but he did no work in the mine; the caution, locking them away to keep them harmless or giving them to a wizard in his hire to do with.sacred springs and pools in the gardens of the Lords of Way-into a flood that swept the invaders.her whole mind on how the women of the Hand might grow strong again. Rivers and streams cut their way seaward through that high plain, winding and pooling, spreading and wandering, making a marsh of it, a big, desolate, waterland with a far horizon, few trees, not many people. The ashy soil grows a rich, bright grass,

and the people there keep cattle, fattening beef for the populous southern coast, letting the animals stray for miles across the plain, the rivers serving as fences..Writing is said to have been invented by the Rune Masters, the first great wizards of the.But he said nothing to the boy and nothing to the boy's mother. He was a consciously close-mouthed man, distrustful of visions until they could be made acts; and she, though a dutiful, loving wife and mother and housekeeper, already made too much of Diamond's talents and accomplishments. Also, like all women, she was inclined to babble and gossip, and indiscriminate in her friendships. The girl Rose hung about with Diamond because Tuly encouraged Rose's mother the witch to visit, consulting her every time Diamond had a hangnail, and telling her more than she or anyone ought to know about Golden's household. His business was none of the witch's business. On the other hand, Tangle might be able to tell him if his son in fact showed promise, had a talent for magery...but he flinched away from the thought of asking her, asking a witch's opinion on anything, least of all a judgment on his son..be no true king of Earthsea. When he returned, riding in a horse-drawn cart, he had such a look about him that Otter's sister hurried in to tell him, "Hound's won a battle or a fortune! He's riding behind a city horse, in a city cart, like a prince!".Sunbright had not been gone three days when a new stranger appeared in town: a man riding up the south road on a good horse and asking at the tavern for lodging. They sent him to Sans house, but San's wife screeched when she heard there was a stranger at the door, crying that if San let another witch-man in the door her baby would be born dead twice over. Her screaming could be heard for several houses up and down the street, and a crowd, that is, ten or eleven people, gathered between Sans house and the tavern.."Tell us who you are," the white-haired man said, courteously enough, but without greeting or welcome.
