So after waiting two months for the superhot Harrison White case to cool down, Junior returned instead to Spruce Hills, traveled bald and pocked and passing as Pinchbeck, under the cover of night..He no longer had any reason to follow an exercise regimen. For twenty-three years, he'd needed to maintain good health in order to meet his responsibilities, but all the responsibilities that mattered to him had been lifted from his shoulders..Testing Celestina's nerves as fully as Barty had tested his mother's, Angel pulled-levered -shinnied-swung herself so fast up through the tree, arriving at the boy's side while red streaks still

enlivened a sky that was repainting itself purple. She stood in the crook of limbs with him, and her delighted laughter rang down through the cathedral oak. 1975 through 1978: Hare ran from Dragon, Snake fled from Horse, and '78 bounced to the beat, because disco ruled. The reborn Bee Gees dominated the airwaves. John Travolta had the look. Rhodesian rebels, grasping the dangers inherent in any battle between equals, had the manful courage to slaughter unarmed women missionaries and schoolgirls. Spinks won the title from Ali, and Ali won it back from Spinks. For a driver who had just engaged in a demolition derby with a house, the mummified man was steady on his feet and unhesitant in his actions. He turned to Harrison White and shot him twice in the chest. As he turned the corner onto Jasmine Way, he felt his heart lift in expectation of the sight of his home. It wasn't a grand residence--a typical Main Street, USA, house-but it was more splendid to Paul than Paris, London, and Rome combined, cities that he would never see and would never regret failing to see. "That's correct," Parkhurst said. "Probably one or more small blood vessels ruptured from the extreme violence of the emesis." Bent like an ape, he humped the musician north along the alley. The original cobblestone pavement had been coated with blacktop, but in places the modern material had cracked and worn away, providing a treacherously uneven surface made even more treacherous by a skin of moisture shed by the fog. He stumbled and slipped repeatedly, but he used his anger to keep his balance and be a winner, until he found a distant enough dumpster. Kathleen Klerkle, Mrs. Wulfstan, sitting on the edge of Nolly's desk, looked diagonally across it at the visitor in the client's chair. Actually, Nolly had two chairs for clients. Kathleen could have sat in the second; however, this seemed to be a more appropriate pose for a hawkshaw's dame. Not that she was trying to look cheap; she was thinking Myrna Loy as Nora Charles in *The Thin Man*--worldly but elegant, tough but amused. Crouching beside the boy as he rubbed a brighter shine onto the granite, Agnes said, "Barty, honey, why are you ... "Why are you here?" "Where else I should be and for why? I watch you over." As the tears cleared from Agnes's eyes, she saw that Maria was sewing. A shopping bag stood to one side of the chair, and to the other side, open on the floor, a case contained spools of thread, needles, a pincushion, a pair of scissors, and other supplies of a seamstress's trade. "I don't have to graduate in the spring of next year. I can take fewer classes, graduate the spring after. That's no big deal." Putting one hand on the object to which she referred, Barty said, "Mom and I were listening to a book when you got here. This is a talking book." Inking? The sequined and tasseled hat of fame was too gaudy for her; she was a minister's daughter, from Spruce Hills, Oregon, more comfortable in a baseball cap. The candlestick was gone. The pedestal on which it had stood now held a Griskin bronze so devastatingly brilliant that one quick look at it would give nightmares to nuns and assassins alike. Having arrived at this same astonishing but nonetheless obvious conclusion, Harrison said, "Someone has to've been hurt." He hurried out of the kitchen, through the dining room, with Paul close behind him. With a paper towel, Junior wiped the revolver. He dropped it on the floor beside the riddled nurse. During the past week, Junior had undertaken quiet background research on the prestidigitator with a badge. The cop was unmarried. He lived alone, so this bold visit entailed no risk. Junior closed his weary eyes and gratefully submitted as the paramedic wiped his greasy face and his crusted lips with a cool, damp cloth. When at last he spoke, real grief, quiet but profound, softened his voice: "March first, three years ago, my wife and two sons--Danny and Harry, both seven, twins--were coming home from visiting her parents in New York. Shortly after takeoff ... their plane went down." "Veal fit for kings," said their waiter, delivering the entrees, and one taste confirmed his promise. A calico cat appeared at Tom's side, running, pacing him. Cats were witches' familiars. Good luck or bad, this cat? When he returned to the kitchen to add ice and sherry to his glass, he looked up White, Celestina in the San Francisco phone directory. Her number was listed; her address was not. A half bath downstairs. Two bedrooms and a full bath on the upper floor. All deserted. "No pie!" Agnes agreed. She parenthesized his head with her hands and punctuated his sweet face with kisses. Cradling the baby, the nun turned with it to Celestina, folding back a thin blanket to present her with a good look at the tiny girl. It was the best he could do in protest against the misuse of good work and a good ship. He was pleased with himself. When the ship was launched (and all seemed well with her, for her fault would not show up until she was out on the open sea) he could not keep from his teachers what he had done, the little circle of old men and midwives, the young hunchback who could speak with the dead, the blind girl who knew the names of things. He told them his trick, and the blind girl laughed, but the old people said, "Look out. Take care. Keep hidden." Maybe he would get lucky, and an airliner would fall out of the sky right now, right here, obliterating him in an instant. Smiling in the fearless dark, she listened to the rhythmic breathing of a sleeping boy. He lived high, on Russian Hill, in a limestone-clad building with carved Victorian detail. His one-bedroom unit included a roomy kitchen with breakfast nook and a spacious living room with windows looking down on twisty Lombard Street. To buy as much time as possible while Enoch Cain's assault was still fresh in Celestina's mind, Tom proposed that they remain hidden away for another two weeks, unless the killer was apprehended sooner. "Then if you go to Wally's house from here, you'll want to install the best alarm system you can get, and you should lead a restricted life for quite a while, even hire security if you can afford it. The smartest thing would be to move out of San Francisco as soon as Wally's recovered. He retired young, right? And a painter can paint anywhere. Sell the properties here, start over somewhere else, and make the move in such a way that you can't be easily traced. I can help you work that out." Stopped by to help Agnes, and some offered to stay with her at night. She gratefully accepted assistance with the housecleaning, laundry, and shopping, but she declined the all-night company because of her dreams. Lipscomb turned to Celestina. "Before lapsing into semicoherence again, your sister said, 'Beezil and Feezil are safe with her,' which may sound less than coherent to you, but not to me." After using a paring knife to section and core an apple, Paul withdrew a sheet of stationery from his desk and uncapped a fountain pen. His penmanship was old-fashioned--in its neatness, as precise and appealing as fine calligraphy. He wrote: Dear Reverend White ... of fists, hard blows, and his father's heavy breathing as he deals out the punishment. Edom himself lies face down in. He had noted all seven names on the bassinets, but he read them again. He sensed in their names--or in one of their names--the explanation for his seemingly mad perception of a looming threat. He heard her explain that the title of the exhibition had been inspired by one of her father's sermons, which aired on a nationally syndicated weekly radio program more than three years ago. This wasn't a religious program, per se, but rather one concerned with a search for meaning in life; it usually broadcast interviews with contemporary philosophers as well as speeches by them, but from time to time featured a clergyman. Her father's sermon received the greatest response from listeners of anything aired on the program in twenty years, and three weeks later, it was rerun by popular demand. She could have used the chair. Sitting, however, she wouldn't be able to see his face. In the noble ruin of his face, Thomas Vanadium's smoke-gray eyes were striking, filled with a beautiful ... sorrow. Not self-pity. He clearly didn't regard himself as a victim. This, Kathleen felt, was the sorrow of a man who had seen too much of the suffering of others, who knew the evil ways

of the world. These were eyes that read you at a glance, that shone with compassion if you deserved it, and that glared with a terrifying judgment if compassion wasn't warranted..During Junior's brief stroll, the sidewalk ended, giving way to the graveled shoulder of the road. He saw no one on foot, and no vehicles passed him..In early May, he sought self-improvement by taking French lessons. The language of love..altogether by taking slow deep breaths, slow deep breaths, and by remembering that each of us has a right to be happy, to be fulfilled, to be free of fear..The paramedic snatched the oxygen feed from his patient's nose and quickly elevated his head, providing a purge towel to catch the thin ejecta..Fragments of the broken wineglass crunched under his shoes as he crossed the small kitchen to the dinette. He opened the bottle of vodka and put it on the table in front of the dead woman..Some information she'd withheld from him: that the cancer might already have spread, that he might still die even after his eyes were removed-and that if it hadn't yet spread, it might soon do so..As was true of the entire house, the bedroom was immaculate. The wood floor gleamed as though polished by hand. A simple white chenille spread conformed to the bed as smoothly and tautly as the top blanket tucked around a soldier's barracks bunk..By the time he got back to Spruce Hills, the early night had fallen. The pearly, waxing moon floated over a town that glimmered mysteriously among its richness of trees, flickering and shimmering as though it were not a real town, but a dreamland where a multitude of Gypsy clans gathered by the lambent amber light of lanterns and campfires..Pain again, but not a mere contraction. Such an excruciation, unendurable. The hobnailed wheels ground through her once more, as though she were being broken on a medieval torture device..A flicker of complacency showed in Otters tired, battered young face. "No," he said. "I don't think anybody can..Celestina hadn't noticed the infant being taken away. She had wanted to see it once more, even though she was sickened by the sight of it..No, I didn't see him," Junior reminded the attorney. "I just assumed, when this harassment started here-." "It was in your heart, too, and anything that's in your heart is there for anyone to see. Will your father marry us?".Somewhere, he does. Daddy died here, but he didn't die every place I am. it's lonely for me here, but not lonely for me everywhere..From these ominous spatters, several fibers bristled, having stuck to the pewter when the drizzle was still wet. They appeared to be human hairs.. "I believe I'll just wait here until Mr. Cain wakes," Vanadium said. "I've nothing more pressing to do..". "What wound? Junior wanted to ask, but he recognized bait when he heard it, and he did not bite..He gently drew the covers over his wife's ruined body, to her thin shoulders, but arranged her right arm on top of the blankets. He straightened and smoothed the folded-back flap of the top sheet..Edom's twin, Jacob, who had never held a job, lived in the second apartment. He'd been there since graduating from high school..Such quiet filled the house that Agnes couldn't hear even the murmuring miseries of the past..Striving to appear casual, but obviously unnerved, the pencil-thin man backed off again. "The paintings are lovely, wonderful, I'm enormously impressed. I'm a friend of the artist's, you know. She was a tenant of mine, I was her landlord during her early college years, in her salad days, a nice little studio apartment, before the baby. A lovely girl, I always knew she'd be a success, it was so apparent in even her earliest work. I just had to come tonight, even though a friend's covering two of my four sets. I couldn't miss this..". "Do you know him? " Edom asked, gazing longingly now at the open door, from which Jacob had turned away. "Obadiah Sepharad? ". "To support my eyelids. And because without anything in the sockets, I look gross. People barf. Old ladies pass out. Little girls like you Pee their pants and run screaming..".The way one does research into nonexistent history is to tell the story and find out what happened. I believe this isn't very different from what historians of the so-called real world do. Even if we are present at some historic event, do we comprehend it-can we even remember it-until we can tell it as a story? And for events in times or places outside our own experience, we have nothing to go on but the stories other people tell us. Past events exist, after all, only in memory, which is a form of imagination. The event is real now, but once it's then, its continuing reality is entirely up to us, dependent on our energy and honesty. If we let it drop from memory, only imagination can restore the least glimmer of it. If we lie about the past, forcing it to tell a story we want it to tell, to mean what we want it to mean, it loses its reality, becomes a fake. To bring the past along with us through time in the hold-alls of myth and history is a heavy undertaking; but as Lao Tzu says, wise people march along with the baggage wagons.. "This is going to be an enormous settlement," the attorney promised. "And there's more good news. County and state authorities have agreed to close the case on Naomi's death. It's now officially an accident."
