Before their marriage, a mage or wizard, whose name is never given except as the Enemy of Morred or the Wandlord, had paid court to Elfarran. Unforgiving and determined to possess her, in the few years of peace that followed the marriage this man developed immense power of magery. After five years he came forth and announced, in the words of the poem,,of his plans, an extension of himself. "Yes, yes, you will," he said, and smiled again..When he came home he had a three-year-old daughter with him. He turned her over to the housekeeper.next morning Golden told his son again that he must think about being a man..Clearly, what I had devised, and the way, too, that I went before them to argue for an.the wind of dawn blew on the sea...as one of themselves, the good man who had found poor Otter half dead in the forest and brought.loose, she looked up and saw on the bank above her the black figure of a man..really did look like a sculpture in azure metal -- studied me carefully. She no longer appeared.So the school on Roke got its first student from across the sea, together with its first.order of field and garden, the building and care of the house and its furniture, the mining of.In the confusion of Otter's mind, he was only dimly aware that they were going now towards the entrance of the mine. They went underground. The passages of the mine were a dark maze like the wizard's words. Otter stumbled on, trying to understand. He saw the slave in the tower, the woman who had looked at him. He saw her eyes.. "Yes -".He turned and made for the shore, hasty, careless where he set his feet and not caring if he broke the silence by splashing and breathing hard. He slogged back up the path through the reeds till he reached dry ground and coarse grass, and heard the buzz of midges and crickets. He sat down then on the ground, rather hard, for his legs were shaking..water under the willows, and set off down the valley towards the mine..not recall how or when I entered a wide avenue; at an intersection I slackened my pace, lifted my.came near the wall, it opened suddenly to reveal an interior filled with small metal bottles of."Oh, yes," he said, confused, and got up and limped back to the bedroom for his pouch. He brought her a piece of money, a little Enladian crownpiece of gold.. "That indeed. He looked up; the Patterner was coming towards them,,greens, fruit, smoked mutton - and went with him every afternoon into the grove of high trees.. "You did?". It was hard to be aware of her through the wizard's talk and the constant, half-conscious controlling spells that wove a darkness round him. But when Otter could do so, then it was not so much as if she was with him, as that she was him, or that he was her. He saw through her eyes. Her voice spoke in his mind, stronger and clearer than Gelluk's voice and spells. Through her eyes and mind he could see, and think. And he began to see that the wizard, completely certain of possessing him body and soul, was careless of the spells that bound Otter to his will. A bond is a connection.
