The computers had pronounced two men of Third Platoon killed and five wounded seriously enough to have been incapacitated. Colman was thinking to himself how nice it would be if real wars could be fought like that, when brilliant lights far overhead transformed the scene instantly into artificial day. He squinted against the sudden brightness for a few seconds, pushed his helmet to the back of his head, and looked around. The dead men and the seriously wounded who had been hit higher up on the slopes were walking down the trail in a small knot, while above them and to the sides, the other three platoons of D Company were emerging from cover. More activity was evident farther away along the gorge in both directions as other defending and attacking units came out into the open. Staff transporters, personnel carriers, and other types of flying vehicles were buzzing up from behind the more distant ridges where the sky ended. Colman hadn't realized fully how many troops had been involved in the exercise. An uncomfortable feeling began creeping into his mind - he had just brought to a premature end an elaborate game that staff people had been looking forward to for some time; these people probably wouldn't be too happy about it. They might even decide they didn't want him in the Army, he reflected philosophically. . . . end result will be put. breathing for a moment. Holding the cord, he turned slowly. The ghost images whirled, vanished. "Because we were expected," Song said, still looking away from them. "They must have watched the Earth, during the last summer season. I don't know; maybe they even went there. If they did, they would have found men and women like us, hunting and living in caves. Building fires, using clubs, chipping arrowheads. You know more about it than I do, Matt." . . . occur outside, as well as inside, science fiction. . . . behind. She was blunt about what she thought and not at all hesitant about disagreeing with me. Still. "It was one of the fruit," she said, gasping for breath and coughing. "I was heating it in a beaker, turned away, and it blew. I guess it sort of stunned me. The next thing I knew, Marty was carrying me out here. Hey, I have to get back in there! There's another one . . . it could be dangerous, and the damage, I have to check on that?" She struggled to get up but Lang held her down. "I'm afraid I have to say they're a liability. Lucy will be needing extra food during her pregnancy, and afterward, and it will be an extra mouth to feed. We can't afford the strain on our resources." Lang said nothing, waiting to hear from McKillian. . . . Love me Eat me All of me. A Reflection. 1? . . . vibrations became such an effective repellent that he had only to enter a room in order to empty it of half. There was a pause. "Well, now that you mention it, you might have come on time. But that's water. Mary Lang sighed, slapped her thighs, and stood up. Like all the others, she was nude and seemed. "I thought it was a Company project," Ike said, butting in. Billy Belay put his head down on the table and began to cry. "Enough to get by." Half an hour later the curtains over the barred open window moved. I had squatted down in the closet and wasn't looking in that direction, but the movement caught my eye. Something hopped in the window and scooted across the floor and went behind the couch. I. still capable of bearing a child), the new organism will be born into different circumstances and that would. If your energy is depleted, your shields fail and the next Zorph attack destroys. On the other hand, an important part of the evaluation was the psychiatric assessment and recommendation, and in the course of the several sessions that he had spent with Pendrey, the psychiatrist attached to Brigade, Colman had found himself harboring the steadily growing suspicion that Pendrey was crazy. He wondered if perhaps a crazy psychiatrist working with a crazy set of premises might end up arriving at sane answers in the same way that two logical inverters in series didn't alter the truth of a proposition; but then again, if Pendrey was normal by the Army's standards, the analogy wouldn't work.
