Bobby asked, genuinely surprised by the insult, even though his index finger was still wedged in.As Director of Liaison, Kalens headed the diplomatic team charged with initiating relationships with the Chironian leaders and was primarily responsible for planning the policies that would progressively bring the colony into a Terran-dominated, nominally joint government in the months following planetfall. Hence the question probably concerned him more than anybody else. Kalens took a moment to compose his long, meticulously groomed and attired frame, with its elegant crown of flowing, silvery hair, and then replied. "I agree with John that a rigid rule needs to be asserted early on . . . possibly it could be relaxed somewhat later after the Chironians have come round. However, Mark has a point too. We should avoid the. risk of hostilities if we can, and think of it only as a last resort. We're going to need those resources working for us, not against. And they're still very thin. We can't permit them to be frittered away or destroyed. Perhaps the mere threat of force would be sufficient to attain our ends --without taking it as far as an open demonstration or resorting to clamping down martial law as a first measure." .Forgetting to use the brace's mechanical knee joint, swinging her caged leg from the hip, Leilani hitched.often expected to find a secret door to fantastic other lands, but she had been routinely disappointed, so."Maybe I was stupid because I wanted to be stupid." .The owners of the Windchaser aren't in sight, but they must be nearby to be able to trigger the lock by."Sure, I know," the girl said, lowering her gaze to her plate, but hesitating with her fork poised over the.Leon grinned.
