The True Runes used in the Archipelago embody words of the Speech of the Making. True Runes are not symbols only, but reifactors: they can be used to bring a thing or condition into being or bring about an event. To write such a rune is to act. The power of the action varies with the circumstances. Most of the True Runes are found only in ancient texts and lore-books, and used only by wizards trained in their use; but a good many of them, such as the symbol written on the door lintel to protect a house from fire, are in common use, familiar to unlearned people..the oval openings and brought to mind the open sea. When he was away, she was quiet-voiced and even-tempered, having learned the uselessness of impatience in the work that must be done. Sometimes she still scowled, sometimes she smiled, but she did not laugh. When she could, she went to the Grove alone, as she had always done. But in these years of the building of the House and the founding of the school, she could go there seldom, and even then she might take a couple of students to learn with her the ways through the forest and the patterns of the leaves; for she was the Patterner..Note on dates: Many islands have their own local count of years. As a rule, people do what wizards advise them to do. And it is no small honor to be invited by a wizard to be his student or apprentice. Hemlock, who had won his staff on Roke, was used to having boys come to him begging to be tested and, if they had the gift for it, taught. He was a little curious about this boy whose cheerful good manners hid some reluctance or self-doubt. It was the father's idea, not the boy's, that he was gifted. That was unusual, though perhaps not so unusual among the wealthy as among common folk. At any rate he came with a very good prenticing fee paid beforehand in gold and ivory. If he had the makings of a wizard Hemlock would train him, and if he had, as Hemlock suspected, a mere childish flair, then he'd be sent home with what remained of his fee. Hemlock was an honest, upright, humorless, scholarly wizard with little interest in feelings or ideas. His gift was for names. "Wait here a little, if you please, Irian," the Doorkeeper said, and went into the room, leaving the door wide open behind him. She could see bookshelves and books, a table piled with more books and inkpots and writings, two or three boys seated at the table, and the grey-haired, stocky man the Doorkeeper spoke to. She saw the man's face change, saw his eyes shift to her in a brief, startled gaze, saw him question the Doorkeeper, low-voiced, intense. And the old man railed on about the folly of the young and the evils of modern times. fairy tale. It had been a kind of profanation. I walked, and her voice pursued me.
