"Are you implying that my concern for the Project derives from a selfish desire to be one of the first ones through the Gateway?" Crawford to nurse the leg she had stepped on in her haste. Novelist and critic Joanna Russ teaches English at the University of Washington. When our starting book reviewer, Algis Budrys, tires, our favorite relief reviewer is Ms. Russ. Here she offers a fascinating article (in response to some critical letters) which tells why critics are such snobs and are so vitriolic, among many other things. "Two leagues short of over there is a garden of violent colors and rich perfume, where black butterflies glisten on the rims of pink marble fountains, and the only thing white in it is a silver-white unicorn who guards the third piece of the mirror." I led the Admiral into my office and fired up Zorphwar on the tube. The antechamber in which the captain and I received the Sreen edict is small by comparison, but only by. "He always has an alibi, huh?" There was a poker in her hand. touch, then buried her face against my shoulder. At the station, waiting for the train to come in, she sat up. He looked around at the other occupants of the room. There was the Surface. It is also possible, however, though not usual, for a woman to bring two different egg cells to fruition at the same time. If both are fertilized, two children will be born who are each possessed of genetic equipment different from the other. What results are "fraternal twins" who need not be of the same sex and who need not resemble each other any more than siblings usually do. sweet voice: "What's the matter," she muttered, "too much spaghetti??" "You stay around and nudge some more poems out of me. I'm feeling the wind in my sails, but I need." "Selene, where is Amanda?" Is there any way of unspecializing the genetic structure of somatic cells so as to allow them to. "That," she says. "The VTP." "I have a plan," said Amos. "I'll just get it quickly without any fuss," said the grey man. But when he stepped forward, the unicorn also stepped forward, and the grey man found the sharp point of the unicorn's horn against the grey cloth of his shut, right where it covered his belly button. even without cloning, and the ordinary process of supplying new soldiers for despots is infinitely cheaper. They worked all day and tried their best to ignore the Burroughs overhead. The messages back and forth were short and to the point Helpless as the mother ship was to render them more aid, they knew they would miss it when it was gone. So the day of departure was a stiff, determinedly nonchalant affair. They all made a big show of going to bed hours before the scheduled breakaway. Jack's head emerged, and a moment later his hand holding the huge fragment of a broken mirror. reading them, they wish to take another strike vote, I won't stand in their way. "Tin Columbine Brown," she said, as though that offered an explanation. the same place watching him. Detweiler came out of the bathroom and sat back on the couch. The thing. His eyes dropped and he was silent for a moment "I want to tell you. But I don't know how without. thank you very much." There was a silence, then it was ripped apart by Lang's huge. "That is not much for true friendship," said Amos. I try to change the subject. "Your father didn't come down to the first concert, did he? Is he coming tonight?" "They were arrested, for trafficking, right here on this couch, while they were taking money from the agent that had set them up. There's no way they can wiggle out of it this time. People say how sorry they are and everything, but I don't know: they were criminals, after all. What they were doing only makes it harder for the rest of us to get our endorsements honestly." That's what got me the job with Alpertron, Ltd., die big promotion and booking agency. I'm on the concert tour and work their stim board, me and my console over there on the side of the stage. It isn't that much different in principle from playing one of the instruments in the backup band, though it's a hetL of a lot more complex than even Nagami's synthesizer. It all sounds simple enough: my console is the critical link between performer and audience. Just one glorified feedback transceiver: pick up the empathic load from Jain, pipe it into the audience, they react and add their own load, and I feed it all back to the star. And then around again as I use the sixty stim tracks, each with separate controls to balance and augment and intensify. It can get pretty hairy, which is why not just anyone can do the job. It helps that I seem to have a natural resistance to the sideband stopover radiation from the empathic transmissions. "Ever think of teaching?" said the school voc counselor. "No," I said. "I want the action." Hollis, Moog Indigo's color operator, is seated behind her. She leans forward and cranes her neck. in certain stages of their lives. "Neither one of those facts is so incredible compared to some of the strange things in this world," said. It's no secret, due to an inflated publicity campaign, that a nice little movie about a nice big ape called King Kong was remade into a not-so-nice big movie which was a veritable textbook on how not, and maybe why not, to remake a movie that was close to perfect for what it was. Much of the subtler pleasure of the early King Kong comes from its period charm? the naivet?, the wonderfully ,preten-tious dialogue, even the oonga-boonga black natives. All this could not in any way survive modernization; "big screen" (whatever that means these days) and color did not make up the difference, nor for the loss of other wonderfully amusing bits from a studio jungle full of dinosaurs to Fay Wray's uncovered bosom. one, pulling a tattered paperback from his hip pocket His friend shakes her head. "You?" He turns the. When he left the store with his dinner and the beer in a plastic bag, she was already outside waiting for him. "I wasn't lagging at you, young man," she told him, taking the same coolly aggrieved tone. "Well have to get cutting tools from the ship," he told his crew. "They're probably in there. What a place this is! I can see we're going to be busy." He walked along the edge of the dense growth, which now covered several acres. He came to a section where the predominant color was purple. It was strangely different from the rest of the garden. There were tall whirligig derricks but they were frozen, unmoving. And covering all the derricks was a translucent network of ten-centimeter-wide strips of plastic, which was thick enough to make an impenetrable barrier. It was like a cobweb made of flat, thin material instead of fibrous spider-silk. It bulged outward between all the crossbraces of the whirligigs. He replied, "They quickly become deaf and so have no need to speak. Indeed, few work more than. He redesigned the whole device, built a prototype and tested it, tore it down, redesigned, built. for him. "I wasn't lagging at you, young man," she told him, taking the same coolly aggrieved tone she'd. "A broken mirror is bad luck," said Amos. "Who broke it?" Jam Snow, my intermittent unrequited love. Her voice is shagreen-rough; you hear it smooth until it. "Oh, I'm not drunk. I discovered long ago that one needn't actually drink in order to have the satisfaction of behaving outrageously." in return for a favor he did me a million years past, for it was he who made this cave for me by artful and. now.
