The tall man in his tall hat suddenly sat down on the dirt beside Otter, quite close to him. His breath smelled earthy. His light eyes gazed directly into Otter's eyes. "Would you like to know? You can know anything you like. I need have no secrets from you. Nor you from me," and he laughed, not threateningly, but with pleasure. He gazed at Otter again, his large, white face smooth and thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not too clever; that's good. Not too clever to learn, like some... I'll teach you, if you like. Do you like learning? Do you like knowledge? Would you like to know the name we call the King when he's all alone in his brightness in his courts of stone? His name is Turre. Do you

know that name? It's a word in the language of the Allking. His own name in his own language. In our base tongue we would say Semen." He smiled again and patted Otter's hand. "For he is the seed and fructifier. The seed and source of might and right. You'll see. You'll see. Come along! Come along! Let's go see the King flying among his subjects, gathering himself from them!" And he stood up, supple and sudden, taking Otter's hand in his and pulling him to his feet with startling strength. It galled him to think of the good ship in that vicious usage..Of late, entering always deeper into the mysteries of a certain lore-book brought back from the Isle of Way by one of Losen's raiders, Gelluk had become indifferent to most of the arts he had learned or had discovered for himself. The book convinced him that all of them were only shadows or hints of a greater mastery. As one true element controlled all substances, one true knowledge contained all others. Approaching ever closer to that mastery, he understood that the crafts of wizards were as crude and false as Losen's title and rule. When he was one with the true element, he would be the one true king. Alone among men he would speak the words of making and unmaking. He would have dragons for his dogs..He ran down from the straggle of huts to the quick, noisy stream he had heard singing through his sleep all his nights in Woodedge. He prayed to it. "Take me and save me," he asked it. He made the spell the old Changer had taught him long ago, and said the word of transformation. Ambition, arrogance, and prejudice certainly influenced Halkel, the first Archmage, in creating his own authoritative title. Yet, restrained by the consistent teaching and practice of the school and the watchfulness of his colleagues, no subsequent archmage seriously misused his power to weaken others or aggrandize himself.."Because there are more of us! Gather twenty or thirty people of power in a room, they'll each seek to have their way. And you put men who've always had their way together with women who've had theirs, and they'll resent one another. And then, too, there are some true and real divisions among us, Medra. They must be settled, and they can't be settled easily. Though a little goodwill would go a long way." The king will receive the true crown from."Thank you," I said, "not for me. . .". "You might have a bit of linen, though, mistress? woven, or thread? Linen of Pody is the best-so I've heard as far as Havnor. And I can tell the quality of what you're spinning. A beautiful thread it is." Crow watched his companion with amusement and some disdain; he himself could bargain for a book very shrewdly, but nattering with common women about buttons and thread was beneath him. "Let me just open this up," Tern was saying as he spread his pack out on the cobbles, and the women and the dirty, timid children drew closer to see the wonders he would show them. "Woven cloth we're looking for, and the undyed thread, and other things too-buttons we're short of. If you had any of horn or bone, maybe? I'd trade one of these little velvet caps here for three or four buttons. Or one of these rolls of ribbon; look at the color of it. Beautiful with your hair, mistress! Or paper, or books.
