Lifted from his despair by this exhilarating wrath, Junior turned away from the mirror, looking for the bright side once more. Perhaps it was the bathroom window..Inevitably, man of the arts that he was, his slouching brought him to several galleries. In the window of the fourth, not one of his favorite establishments, he saw an eight-by-ten photograph of Seraphim White..Holding up his misshapen hands, knobby knuckles toward Agnes, Obadiah said, "How do you think they became like this?". "Usually, I throw out a bunch of hocus-pocus, flourishes and patter, to distract people, so they don't even realize that what they've seen was real. They think the midair disappearance is just a trick." Celestina smiled distractedly. Since arriving at the hotel an hour ago, she had been openly debating with herself whether to call her parents in Spruce Hills or to wait until later in the afternoon, when she might be able to report not just that she had a fianc?, and not only that she had a fianc? who'd been shot and nearly killed, but also that his condition had been upgraded from critical to serious. As she'd explained to Tom, in addition to worrying them with the news about Cain, she'd be stunning them with the

announcement that she was going to marry a white man twice her age. "My folks don't have one ounce of prejudice between them, but they sure do have firm ideas about what's appropriate and what's not." This would ring the big bell at the top of the White Family Scale of the Inappropriate. Besides, they were preparing for the funeral of a parishioner, and from personal experience, Celestina knew their day would be full. Nevertheless, at ten minutes past eleven, after picking at her breakfast, she finally decided to call them. "What do you think of the exhibition," Junior asked, taking one step toward the musician, crowding him. One of the most unnerving aspects of life in southern California was that earthquake weather came in so many varieties. As many days as not, you got out of bed, checked the sky and the barometer, and realized with dismay that conditions were indicative of catastrophe. As shaken as she had been at Phimie's side, she couldn't trust her memory. Perhaps she hadn't seen what she thought she'd seen. He did not answer Hound's question. "Quick, very quick," he warned, helping Grace through the fire framed window and onto the roof of the porch. When she looked up from Barty, she saw the attorney with his hands full of documents. "Surprise? I know what's in Joey's will." Curiously, reciting these facts usually calmed him, as though speaking of disaster would ward it off. Since Friday, however, he had found no comfort in his usual routines. Even in this soft light, Nolly could see that she was blushing like a young girl. She glanced around at the nearby tables. Thanksgiving dinner was a fine affair, and Christmas was even better. On New Year's Eve, Wally downed one drink too many and more than once offered to perform surgery on any member of the family, free of charge "right here, right now," as long as the procedure was within his area of expertise. "WOULD YOU LIKE TO BE MY BOYFRIEND?" asked Miss Velveeta, who had thus far shown no romantic inclinations. Other rooms were furnished as sparsely as those in a monastery. Indeed, the dining room contained nothing whatsoever. Rowena loves you, Phimie had told him, briefly repressing the effects of her stroke to speak with clarity. Beezil and Feezil are safe with her Messages from his lost wife and children, where they waited for him beyond this life. Blink, the living room. Turning off Sinatra halfway through "It Gets Lonely Early." "Oh, Wally, I am worried. I'm deeply worried. My mama is going to buy herself a first-class ticket to the fiery pit if she doesn't stop this prevaricatin'." From the phone, Barty proceeded directly to the refrigerator. He opened the door, got a can of orange soda, and returned without hesitation to his chair at the table. When she went upstairs at 2:10 in the morning, she found the boy fast asleep in the soft lamplight, Tunnel in the Sky at his side. Junior had thought the news was the lab report, which had found no ipecac in his spew. All that had been distraction. "Sitters. Friends, relatives of friends. People I can trust. I can afford sitters if I'm getting only dinner tips." He felt lightheaded again. But this time he knew why. Not an oncoming case of the flu. He was straining against the cocoon of his life to date, straining to be born in a new and better form. He had been a pupa, encased in a chrysalis of fear and confusion, but now he was an imago, a fully evolved butterfly, because he had used the power of his beautiful rage to improve himself. When Bartholomew was dead, Junior Cain would at last spread his wings and fly. because even to cry in pain will invite more vicious discipline than the pummeling he's already endured. His father. "Take care he doesn't turn your belt on you with a spell!" said his uncle. Antihypertensive drugs were administered intravenously, and Phimie was confined to bed, attached to a heart monitor. By Friday morning, September 10, little more than forty-eight hours after the shooting, he felt good and was in fine spirits. The young man raised his voice to be heard above the gobbling of the art turkeys. "No, sir. He just asked where the men's room was." He wanted Celestina to sit in her seat and use her lap belt, but she insisted on cuddling next to him, as if she were a high-school girl and he were her teenage beau. Perhaps because Celestina was her father's daughter, with his faith in humanity, she was always deeply moved by the kindnesses of strangers and saw in them the shape of a greater grace. "Does your wife know what a lucky woman she is?" "Miss White was admitted to St. Mary's late January fifth," said Nolly, "with dangerous hypertension, a complication of pregnancy." The forger's crossed eyes glowed with reflected light from the screen. He licked his rubbery lips, and his prominent Adam's apple bobbed: "Like to drain my pipes in that Faye Dunaway, huh?"
