Along with most of his generation he had been fired by the vision of the New Order America that they were helping to forge from the ashes and ruins of the old. Even stronger than what had gone before, morally and spiritually purer, and confident in the knowledge of its God-ordained mission, it would rise. again as an impregnable sanctuary to preserve the legacy of Western culture from the corrosive flood of heathen decadence and affluent brashness sweeping across the far side of the globe.
