Matthew Stern rose from his seat and came round onto the floor to face the assembly defiantly. "This prattling has continued for too long. I have no eloquent speeches to make. Enough time has been wasted on such futilities already. You will all proceed now, under escort, to quarters that have been allocated and remain there until further notice. We have business to attend to." He nodded at Stormbel, who motioned at the guards. "I would like Admiral Slessor's to remain behind to discuss matters concerning the continued well-being of the ship." Marie, who had been exploring the house, emerged from the elevator. "The basement is huge!" she told them. "There are all kinds of rooms down there, and I don't know what they're for. I could have my own room to draw things in. And did you know there's another door down there that leads out to a tunnel? I think it might go through to where the .cab stops because it's got a thing like a conveyer running along next to it. Perhaps we needn't have carried all those things over and in through the front door at all". She brightened. "Hey, you probably got something there." Then her sigh vented volumes of. "It's an organization the congressman founded. That's where he made a name for himself, before." Hardly. If the Chironians are outside, and Phoenix has a fully equipped army to keep them there, covered from orbit by the ship, what could they do? Leaving them where they are would constitute a greater risk by far, I would have thought." seeking a bench for her knees..to other than himself. Hell, it was like driving a Mercedes-Benz..Otto shook his head. "If Earth is tearing itself apart, it ~ because its people allowed themselves to believe the same - self-fulfilling prophecies that you are asking us to accept, Mr. Stern. But we reject them. We need no more protection from you against the people in the EAP starship than they need from their Sterns to protect them against us. We have no need of that kind of strength. Is it strength for neighbors to fortify their homes against each other, or is it paranoia? You must feel very insecure to wish to fortify an entire star system." Stern's mouth clamped into a grim, down turned line..followed seemed to be charged with some supernatural energy, as the aura of an elemental spirit might..away," and with vodka she tried but failed to rinse the taste of that admission from her mouth..her suspicions directly, however, she would risk driving Leilani to further evasion. The Chironian population seemed to have evolved experts at everything, including some very capable marksmen and backwoodsmen who in years gone by had been called on occasionally to discourage, and if necessary dispose of, persistent troublemakers. Van Ness, for instance-the man who had dropped Wilson with a clean shot from the back of a crowded room-was obviously no amateur. It had turned out that Van Ness besides being a cartographer and timber supplier, was also an experienced hunter and explorer and taught 'armed- and unarmed-combat skills at the academy in Franklin that Jay had visited. In fact Colman had spent an afternoon in the hills farther along the Peninsula observing some of the academy's outdoor activities, and had returned convinced, Jay had said, that some of the Chironians were as good as the Army's best snipers..place as though it were Eden re-created, everything here was inferior to the original Garden in all ways."They really do.."Who are they?"
