Barty rounded the tree and returned to the porch. He climbed the steps and stood before Tom..Sometimes Celestina marveled at how intimately and inextricably the tendrils of tragedy and joy were intertwined in the vine of life. Sorrow was often the root of future joy, and joy could be the seed of sorrow yet to come. The layered patterns in the vine were so complex, so enrapturing in their lush detail and so fearsome in their wild inevitability, that she could fill uncountable

canvases, through many lifetimes as an artist, striving to capture the enigmatic nature of existence, in all its beauty dark and bright, and in the end merely suggest the palest shadow of its mystery..Joey was standing just outside, gazing in at her. His blue eyes were seas where sorrow sailed..The muscles of his legs grew as hard as any of the landscapes that he trod. Granite thighs; calves like marble, roped with veins..As she struggled to cope with her loss, the last thing Agnes needed was the reminder posed by that empty chair. Maria's intentions were good, however, and Agnes didn't want to hurt her feelings..This morning, only his love for his sister, Agnes, gave him the courage to drive and to become the pie man.. "No. Rowena dropped those names after the twins' first year. She and I were the only ones who ever used them. Our private little joke. Even the boys wouldn't have remembered." The kids insisted on knowing what was meant by the line about the chicken, and this led to the laying of a coopful of Why-did-the chicken-cross-the-road jokes, which Edom and Jacob had memorized in childhood as an act of rebellion against their humorless father..Stepping forward lightly, lightly, as he swung the candlestick, Junior saw the dinner guest stiffen, perhaps sensing danger or at least movement, but it was too late. The guy didn't even have time to turn his head or duck..Although Paul had seen Tom Vanadium's clever coin trick, he didn't understand the rest of their conversation, and he assumed that for everyone else-except Angel's mother-it was equally impenetrable. But taking their clue from the risen Celestina, all those present had fallen silent..Two more uniformed officers had entered the kitchen, fresh from their search of the apartment. They were amused..He shouldered past two counter waitresses, past the short-order cook who was working eggs and burgers and bacon on the open griddle and grill. Whatever expression wrenched Junior's face, it must have been intimidating, for without protest but with walled alarm, the employees squeezed aside to let him pass..Then by ambulance to the hospital, whisked into surgery, and for a while, blessed unconsciousness..a scene out of a movie about Robin Hood: a battle with cudgels on a slippery log bridge over a river. "Yes. I ... I'm still soaked with sweat."..Now, twenty-four hours later, when Sparky answered his telephone and heard Tom Vanadium, he said, "You looking for a little company? I've got another bottle of Merlot where the last one came from."..Instead, he sat in the breakfast nook with his phone books and resumed the grueling search for Bartholomew..From her Volkswagen bus in the middle of the line, Maria joined them. "In case we get separated, Agnes, I don't have an itinerary."..Dr. Zedd's death, just last Thanksgiving, had been a blow to Junior, a loss to the nation, to the entire world. He considered it a tragedy equal to the Kennedy assassination one year previous..Vanadium, lending an aura of normalcy to the house. Now he wanted silence, so he would immediately hear another car in the driveway if one arrived..She continued: "When we don't allow ourselves to hope, we don't allow ourselves to have purpose. Without purpose, without meaning, life is dark. We've no light within, and we're just living to die."..Unfortunately, Caesar Zedd had not written a self-help book on how to commit homicide and escape the consequences thereof, and as before, Junior was entirely on his own..For a spirit, the maniac lawman appeared disturbingly solid. He wore a tweed sports jacket and slacks that, as far as Junior could tell, were the same clothes he'd worn on the night he died. Apparently, even the ghosts of Sklent's atheistic spiritual world were stuck for eternity in the clothes in which they had perished..With effort, she managed to say, "I'm sorry, sweetie," but her voice was sufficiently distorted by anguish that even to herself, she sounded like a stranger.. "Worlds," ventured Jacob, "in which that oil-tank truck never stopped on the railroad tracks in Bakersfield, back in '60. So the train never crashed into it and those seventeen people never died."..If magic explained the jacks on Friday evening, maybe it was the dark variety of magic. Maybe he shouldn't be endeavoring to summon, once more, whatever spirit was responsible for the four knives..Still seeking some missing fact, some insight that would help him understand the maniac's Bartholomew obsession, Tom asked more questions until Celestina suddenly realized and revealed what might be the information that he sought: Cain's perverse insistence on playing the reverend's taped rough draft of "This Momentous Day" throughout his long assault on her sister..He ran gasping, praying, feet slapping the concrete sidewalk, frightening birds out of the purple brightness of blossom-laden jacarandas and out of Indian laurels, terrorizing a tree rat into a lightning sprint up the bole of a phoenix palm. The few people he encountered reeled out of his way. Brakes shrieked as he crossed intersections without looking both ways, risking cars and trucks and rhinoceroses..A smoldering cigarette, usually dangling aslant from one corner of a hard mouth set in a cynical sneer, was standard issue for tough-guy gumshoes, but Nolly didn't smoke. His failure to develop this bad habit resulted in a less satisfyingly murky atmosphere than the clients of a private dick might expect..Houses made settling noises all the time. That was one reason why he couldn't rely much on sound to guide him through the darkness. A noise he thought had been made by the weight of his tread might as easily have been produced by the house itself as it adjusted to the..This brilliant mouthful was not nature's work alone. With what Nolly must have spent to obtain this smile, some fortunate dentist had kept a mistress in jewelry through her most nubile years..At one point late in the afternoon, as all three Hackachaks were hurling scorn and invective at Junior, he noticed Vanadium standing in the doorway, observing. Perfect. He pretended not to see the cop, and when next he sneaked a look, he discovered that Vanadium had vanished like a wraith. A thick slab of a wraith..The prickly-bur ghosts of two little children didn't concern him. At worst, they were spiritual gnats..Clutching the red rose in his left hand, the brightly wrapped gift box half crushed in his right, Thomas Vanadium lay at Junior's mercy, with no tricks to perform, no quarter to set dancing across his knuckles..Posing as a counselor with Catholic Family Services, he phoned each listed Bartholomew, with a question related to his or her recent adoption. Those who expressed bafflement, and who claimed not to have adopted a child, were generally stricken from his list.. "I get pee'd off, and I miss some things terrible. But I'm not sad. And you've got to not be sad, either, 'cause it spoils everything.".. "Cancer," he said, because that was more tragic and far less suspicious than a fall from a fire tower..Celestina smiled distractedly. Since arriving at the hotel an hour ago, she had been openly debating with herself whether to call her parents in Spruce Hills or to wait until later in the afternoon, when she might be able to report not just that she had a fianc?, and not only that she had a fianc? who'd been shot and nearly killed, but also that his condition had been upgraded from critical to serious. As she'd explained to Tom, in addition to worrying them with the news about Cain, she'd be stunning them with the announcement that she was going to marry a white man twice her age. "My folks don't have one ounce of prejudice between them, but they sure do have firm ideas about what's appropriate and what's not." This would ring the big bell at the top of the White Family Scale of the Inappropriate. Besides, they were preparing for the funeral of a parishioner, and from personal experience, Celestina knew their day would be full. Nevertheless, at ten minutes past eleven, after picking at her breakfast, she finally decided to call them..AFTER SPENDING Wednesday as a tourist, Junior began to look for a suitable apartment on Thursday. In spite of his new wealth, he did not intend to pay hotel-room rates for an extended period..The detective was driven by this string theory of his, and maybe he also saw visions or even heard voices, like Joan of Arc. Joan of Arc with out beauty or grace, Joan of Arc with a service revolver and the

authority to. He pushed back the bedclothes and sat up, leaning against the pillows and headboard. "This is maybe a hard thing for you to do, but it's really important." Junior was starving, but he didn't trust his bowels enough to risk dinner in a restaurant. The affliction seemed to have passed, but it might recur when he had food in his system again. "Tom, Wally, I'm sorry for the brusque introductions," Agnes Lampion apologized. "We'll have plenty of getting-to-know-each other time over dinner. But the people in this room have been waiting an entire week to hear from you, Tom. We can't wait a moment longer." Junior realized he was on the verge of babbling, and with an effort, he silenced himself. This room didn't face the street by which Cain would approach the building, so Vanadium switched on the lights. He spent fifteen minutes examining the mundane contents of the cupboards, searching for nothing in particular, merely getting an idea of how the suspect lived-and, admittedly, hoping for an item as helpful to a conviction as a severed head in the refrigerator or at least a plastic-wrapped kilo of marijuana in the freezer. "Not only coal miners. Old as you are in some ways, you're still too young for me to explain. I will someday." He'd acted boldly, recklessly, without scoping the territory to be sure Prosser was alone. The accountant lived by himself, but a visitor might be present. Her mother and father still resided in a world where Phimie was alive. Bringing them from that old reality to this new one would be the second-hardest thing Celestina had ever done. "For one thing, jurors might conclude that the authorities never really suspected you and tried to frame you for murder to conceal their culpability in the poor maintenance of the tower. By far, most of the cops think you're innocent anyway." Looking down at Barty, Agnes saw the ghost of Joey in the baby's face, and although she half believed that her husband would be alive now if he had never tempted fate by putting such a high price on his life, she couldn't find any anger in her heart for him. She must accept this final generosity with grace-if also without enthusiasm. "You don't get the heebie-jeebies," Max said. "You give 'em. Tell me what's wrong." His request felt like an assault. Agnes almost rocked backward as though struck. Tom had acted with the best intentions-but also with the intelligence and the good judgment that God had given him and that he had spent a lifetime honing. Good intentions alone can be the cobblestones from which the road to Hell is built; however, good intentions formed through much self-doubt and second-guessing, as Tom's always were guided by wisdom acquired from experience, are all that can be asked of us. Unintended consequences that should have been foreseeable are, he knew, the stuff of damnation, but those that we can't foresee, he hoped, are part of some design for which we can't be held responsible. Since the cops believed that Junior accidentally shot himself while searching for a nonexistent burglar, he was already in their book as an idiot. If he tried to explain how Vanadium had tormented him with the quarter, and how a quarter turned up, of all places, in his cheeseburger, they would figure him for a hopeless hysteric. The window didn't face the street. It overlooked a five-foot-wide passageway between this house and the next. The police might not spot him leaving. This ended any hope of romance, and he was disappointed. A less self-controlled man might have seized a nearby bronze vase-fashioned to resemble dinosaur stool-and stuffed her into it or vice versa. She had lighted one candle for each of eleven apostles, none for the twelfth, Judas, the betrayer. Consequently, after burning a fragment of the cards in each votive glass, she was left with one piece. Paul stayed with her, sometimes wincing at the ground as though the danger were there, not above-which, in a sense, it was, because impact rather than the fall itself is the killer-and at other times putting his arms around her, staring up at the boy above. But he, too, was silent. SHORTLY BEFORE one o'clock, the Hackachaks descended in a fury, eyes full of bloody intent, teeth bared, voices shrill. During the preparation of the cards, Barty had fallen asleep in his mother's arms, but with the revelation of his name on the ace, he had awakened again, perhaps because with his head resting on her bosom, he was alarmed by the sudden acceleration of her heartbeat. The adoption records on Seraphim White's baby weren't sealed by law, because custody of the child was being retained by family. The infant's smile was so captivating and his puzzlement so comically earnest that both expressions worked on Agnes's misery as surely as yeast leavens dough. Her bitter tears turned sweet. Consequently, he scheduled more time every day with the phone books. He had obtained directories for all nine counties that, with the city itself, comprised the Bay Area. He slept outdoors rarely and otherwise stayed in inexpensive motels, boardinghouses, and YMCAs. Throughout the evening, Barty and Angel-sitting side by side and across the table from Paul-listened to the adults at times and occasionally joined in the larger conversation, but primarily they talked between themselves. When the kids' heads weren't together conspiratorially, Paul could hear their chatter, and depending on what else was being discussed around the table, he sometimes tuned in to it. He picked up on the word rhinoceros, tuned in, tuned out, but a couple minutes later, he dialed back in when he realized that Celestina, sitting two places farther along the table from him, had risen from her chair and was staring in amazement at the kids. "I'm a less philosophical sort than Kathleen," Nolly said, "so what I've been wondering is where you learned the tricks with the quarter. How is it you're priest, cop-and amateur magician?" No one had actually been here. And he still didn't believe in ghosts, so he didn't think that a spirit had been wandering his home in his absence. Sheena Hackachak, at forty-four, was more beautiful than any current movie star. She looked twenty years younger than her true age, and she so resembled her late daughter that Junior felt a rush of erotic nostalgia at the sight of her. Leashed like a dog, he walked along, sullen and shivering with sickness and rage. He stared around him, seeing the stone tower, stacks of wood by its wide doorway, rusty wheels and machines by a pit, great heaps of gravel and clay. Turning his sore head made him dizzy. Celestina, surprised by Lipscomb's arrival, was still mentally numb from Neddy's harangue. "Doctor, I didn't know you were coming." "Naomi--she popped out of my oven twenty years ago, not out of yours," Sheena continued in a fierce whisper. "If anyone's suffering here, it's me, not you. Who're you, anyway? Some guy who's been boinking her for a couple years, that's all you are. I'm her mother. You can never know my pain. And if you don't stand with this family to make these wankers pay up big-time, I'll personally cut your balls off while you're sleeping and feed them to my cat." Odder yet, the pianist had studied him with a keen interest that was inexplicable, since they were essentially strangers. When caught staring, he'd appeared rattled, turning away quickly, eager to avoid further contact. Naked, dripping, he roamed the apartment. As on the night of December 13, the voice seemed to arise from thin air: ahead of him, then behind him, to the right, but now to the left. Otter was silent a while. Then he said in a low voice, "Clay, and gravel, and under that the rock that bears garnets. All under this part of the city is that rock. I don't know the names."
