Sunday morning, when Agnes returned from church, EDOM and Jacob joined her for lunch. During the afternoon, Jacob helped her bake seven pies for Monday delivery..She wanted to tell him not to say these queer things, not to talk this way, yet she couldn't speak those words. When Barty asked her why, as inevitably he would, she'd have to say she was worried that something might be terribly wrong with him, but she couldn't express this fear to her boy, not ever. He was the lintel of her heart, the keystone of her soul, and if he failed because of her lack of confidence in him, she herself would collapse into ruin..He was in the kitchen at 11:20,

spreading frosting on a large chocolate sheet cake while the reverend expertly frosted a coconut-layer job..Lined up on the kitchen table were green-grape-and-apple pies. The thick domed crusts, with their deeply fluted edges, were the coppery gold of precious coins..Instead of staring at Barty directly, he watched Angel as she studied the eyeless boy. She had exhibited no horror at the concave slackness of his closed lids, and when one lid fluttered up to reveal the dark hollow socket, she hadn't shown any revulsion. Now she moved closer to Barty's chair, and when she touched his cheek, just below his missing left eye, the boy didn't flinch in surprise..He groaned. "That just doesn't cut it, Mom. If I gotta be blind, I think I should get to say peed off."..He wasn't afflicted with parenthood envy. A baby was the last thing he would ever want, aside from cancer. Children were nasty little beasts. A child would be an encumbrance, a burden, not a blessing..Teasing out the card, Edom saw that it was an ace of diamonds-remarkable in light of Maria Gonzalezs fortune'-telling session last Friday evening. He was more astonished, however, by the name printed in black ink diagonally across the face of the card: BARTHOLOMEW..Munching an Almond Joy, Junior returned to the phone book, with no choice but to find Bartholomew the hard way..When Junior walked the cracked-linoleum corridor and descended the six flights of stairs to the street, he discovered that a thin drizzle was falling. The afternoon grew darker even as he turned his face to the sky, and the cold, dripping city, which swaddled Bartholomew somewhere in its concrete folds, appeared not to be a beacon of culture and sophistication anymore, but a forbidding and dangerous empire, as it had never seemed to him before..Agnes found herself drifting up. A frightening sense of weightlessness overcame her..After undressing for the night, he sat on the edge of the bed for a while, rubbing the coin between the thumb and forefinger of his right hand, brooding about Thomas Vanadium. He tried rolling it across his knuckles; he dropped it repeatedly..Celestina rose, heart suddenly clumping in her breast, like heavy footsteps hurrying away from an approaching bearer of bad news, but she herself couldn't run, could only stand rooted in her hope-and hear in her mind six versions of a bleak prognosis in the two seconds before the doctor actually spoke..He kept the house, for it was a shrine to his life with Perri. He returned to it from time to time, to refresh his spirit..Celestina stared at the small, brown face, opening herself to the anger and hatred with which she had regarded this child in the operating room..The quarter, surely. The one that had not been in his robe pocket where it should have been, the previous Friday.. "Will do. Check out those paintings he collects. People pay real money for them, even people who've never been in a looney bin.".. "Who else? I think there's romance in the air. The cow-eyed way he looks at her, she could knock his knees out from under him just by giving him a wink."..He feared that suicide was a ticket to Hell, and he knew that sinless Perri was not waiting for him in those lower realms..She could have used the chair. Sitting, however, she wouldn't be able to see his face..The container-eye-level at the top, battered, rust-streaked, beaded with condensation-was larger than some in the alleyway, with a bifurcated lid. Both halves of the lid were already raised..Perhaps she was afflicted with only expressive aphasia, but she must be confused to some degree. The baby, which would be placed for adoption, was not hers to name..Sparky Vox-with less training in theology and philosophy than his guest, but with a spiritual insight that any overeducated Jesuit would have to admire, even if grudgingly-had settled Vanadium's uneasy conscience. "The problem with movies and books is they make evil look glamorous, exciting, when it's no such thing. It's boring and it's depressing and it's stupid. Criminals are all after cheap thrills and easy money, and when they get them, all they want is more of the same, over and over. They're shallow, empty, boring people who couldn't give you five minutes of interesting conversation if you had the piss-poor luck to be at a party full of them. Maybe some can be monkey-clever some of the time, but they aren't hardly ever smart. God must surely want us to laugh at these fools, because if we don't laugh at 'em, then one way or another, we give 'em respect. If you don't mock a bastard like Cain, if you fear him too much or even if you just look at him in an all-solemn sort of way, then you're paying him more respect than I ever intend to. Another glass of wine?".. "Simon's a funny duck," Vanadium said, "but I like him more than a little and trust him implicitly. He wanted to know what he could do to help. Initially, my speech was slurred, I had partial paralysis in my left arm, and I'd lost fifty-four pounds. I wasn't going to be looking for Cain for a long time, but it turned out Simon knew where he was.".. "You sounded as though you were in a lot of distress. You were frightened of this Bartholomew.".. "Please try not to be alarmed, Miss White, but I have a patrol car on the way to your address."..He'd once spoken that very sentiment to her. Golden haze, sun in the heart. His words had melted her, tears had sprung into her eyes, and sex been better than ever..Friday, January 14, eight days after Joey's death, Agnes closed the sofa bed, intending to sleep upstairs from now on. And for the first time, since coming home, she cooked dinner without resort to friends'.He was too sensitive a soul to be able to take either a handsaw or a power saw to a corpse..She continued: "When we don't allow ourselves to hope, we don't allow ourselves to have purpose. Without purpose, without meaning, life is dark. We've no light within, and we're just living to die."..The customers were in a mood, most of them grumbling about their ailments. Others complained about the dreary weather, the increasing number of kids zooming along sidewalks on these damn new skateboards, the recent tax increases, and the New York Jets paying Joe Namath the kingly sum of \$427,000 a year to play football, which some saw as a sign that the country was money-crazy and going to Hell..From Sparky, Tom Vanadium had borrowed a master key with which he could open the door to Cain's apartment, but he preferred not to employ it as long as he could enter by a back route. The less often he used the halls that were frequented by residents, the more likely he would be able to keep his flesh-and-blood presence a secret from Cain and sustain his ghostly reputation. If too many tenants got a look at his memorable face, he would become a topic of discussion among neighbors, and the wife killer might tumble to the truth..Junior liked women who drank a lot. They were usually amorous or at least unresistant..Agnes had read the last half of Red Planet to Barty just the previous night, but he brought the book with him, to read it again..Elsewhere in the cemetery, about 150 yards away, another interment service-with a much larger group of mourners-had begun prior to this one for Naomi. Now it was over, and the people were dispersing to their cars..By this time, Vinton had finished, commercials had run, and the number-two song had started: "Come See About Me," by the Supremes.. "Some men," she said, "wouldn't be able to sustain desire when their hands touched my back. I'll understand if you're one of them. It's not beautiful to the eye, and rough as oak bark to the touch. That's why I brought you here, so you'd know this before you consider where you want to go from ... where we are now."..Maria stopped praying with her knuckle rosary and resorted to a long swallow of wine..Mary had a yellow vinyl ball of the type Koko would happily chase all day and, if allowed, chew all night, keeping the house awake with its squeaking. "Want this?" she asked Koko. Koko wanted it, of course, needed it, absolutely had to have it, and leaped into action as Mary pretended to throw the ball..In the distance, the clang of a trolley-car bell. Hard and clear in spite of the muffling fog..The physician saw the look and understood it. A blush pinked his long, pale face. "Celestina, you're quite beautiful, and I'm sure you've learned to be wary of men, but I swear that my intentions are entirely honorable."..He pressed his right

ear to the door, held his breath, heard nothing, and addressed the top lock first. Quietly, he slid the thin pick of the lock-release gun into the key channel, under the pin tumblers..Reminding himself that fortune favored the persistent and that he must always look for the bright side, Junior began with the city itself and with those whose surnames were Bartholomew. This was a manageable number..Rescuers appeared with hydraulic pry bars and metal cutting saws. Civilians were shepherded back to the sidewalks..Her lifelong optimism, her buoyancy, which she had miraculously sustained through so many difficult years, would never survive this. She would no longer be a rock of hope for him and Edom. Their future was despair, undiluted and unrelenting..After a day of work, the pencil portrait of Nella Lombardi was finished. The second piece in the series-an extrapolation of her appearance at age sixty-was begun.. "Oh, my Lord," Chicane groaned as he and Sparky half carried Junior into the bathroom..Walking was part of a fitness regimen that he took seriously. He would never be called upon to save the world, like the pulp heroes in the tales he enjoyed; however, he had solemn responsibilities he was determined to meet, and to do so, he must maintain good health..Finally, only thirty miles south of Spruce Hills, he reluctantly acknowledged that slow deep breathing, positive thoughts, high self esteem, and firm resolve weren't sufficient to subdue his treacherous bowels. He needed to find lodging for the night. He didn't care about a swimming pool or a king-size bed, or a free continental breakfast. The only amenity that mattered was indoor plumbing..Before Junior had become a physical therapist, he had considered studying to be a dentist. A low tolerance for the stench of halitosis born of gum disease had decided him against dentistry, but he still could appreciate a set of teeth as exceptional as these..For the past two days, Junior had eaten only binding foods, and late this afternoon, he had taken a preventive dose of paregoric, as well..Ford dealership, which he'd closed for business until three o'clock: lamentations, lunch, and moving reminiscences of the deceased shared among the shiny new Thunderbirds, Galaxies, and Mustangs. That venue would provide Junior with the witnesses he required for his reluctant, tearful, and perhaps even angry concession to the Hackachaks' insistent materialism..Kid's room. Bartholomew's room. Furniture in cheerful primary colors. Pooh posters on the wall.. "I'm saying, for all I know." She took her hand off his thigh. "What's all this about Celestina, anyway? ".Professing befuddlement, the galerieur led the way through three rooms to the front windows, gliding across the polished maple floors as though he were on wheels..Inevitably, he had to wonder if Naomi had kept her pregnancy secret because, indeed, she suspected that the child wasn't her husband's..Amused, Wally said, "You artists do love to dramatize-or have I forgotten the San Francisco blizzard of '65?".When he was baking, the world seemed to be a less dangerous place. Sometimes, making a cake, he forgot to be afraid..Excessive insurance, Agnes believed, was a temptation to fate. "A reasonable policy, yes, that's fine. But a big one ... it's like betting on death."."That would be wrong. A diary's private." He supposed that to a detective nothing was sacred, but he was nonetheless a little shocked that Vanadium needed to ask that question..Junior was stunned that the bitch had come back into his life, to ruin him, almost two years later. Zedd teaches that the present is just an instant between past and future, which really leaves us with only two choices-to live either in the past or the future; the past, being over and done with, has no consequences unless we insist on empowering it by not living entirely in the future. Junior strove always to live in the future, and he believed that he was successful in this striving, but obviously he hadn't yet learned to apply Zedd's wisdom to fullest effect, because the past kept getting at him. He fervently wished he hadn't simply broken up with Tammy Bean, but that he had strangled her instead, that he had strangled her and driven her corpse to Oregon and pushed her off a fire tower and bashed her with a pewter candlestick and sent her to the bottom of Quarry Lake with the gold Rolex stuffed in her mouth..He didn't rely on sounds to help him find his way, though here and there one served as a marker of his progress. Twelve paces from his room, a floorboard squeaked almost inaudibly under the hallway carpet, which told him that he was seventeen paces from the head of the stairs. He didn't need that muffled creak to know exactly where he was, but it always reassured him..He might suspect, but he couldn't know. He would but would be left with at least a shred of doubt about Junior's..Now, without realizing when it had happened, he had been lowered from his knees to his right side. Head elevated and tilted by one of the paramedics. So he could expel the bile, the blood, rather than choke on it..He hadn't heard the cop get out of the chair and cross the dark room. Difficult..Harmonizing with Diana Ross, Mary Wilson, and Florence Ballard, he drove to the granite quarry three miles beyond the town limits..By the time this operation concluded and the sulphurous Mr. Cain was brought to some form of justice, Simon might have spent twenty or twenty-five percent of the fee that he'd collected from the liability settlement in the matter of Naomi Cain's death. The attorney put a substantial price on his dignity and reputation.. "I could have been killed," Junior Cain repeated, suddenly so horrorstruck by this realization that an iciness welled in his gut, and for a while he wasn't able to feel his extremities..He wanted an explanation, but no one could give him the one that he needed, because nobody but he himself knew the significance and symbolism of the quarter..Angel didn't join the grieving women, but sat on the floor in front of the television, switching back and forth between Gunsmoke and The Monkees. Too young to be genuinely involved in either show, nevertheless she occasionally made gunfire sounds when Marshal Dillon went into battle or invented her own lyrics to sing along with the Monkees..Uncommon dexterity is essential for anyone who hopes to become a highly skilled card mechanic, but it is not the sole requirement. A capacity to endure grim tedium while engaging in thousands of hours of patient practice is equally important. The finest card mechanics also exhibit complex memory function of a breadth and depth that the average person would find extraordinary..Shuddering, rubbing furiously at himself, he stumbled into the bathroom. In the mirror, he confronted a face he hardly recognized: swollen, lumpy peppered with red hives..Raising his revolver, Tom squeezed off two shots, but the gun didn't discharge.. "It's easy to see you as a cop," Kathleen said. All the whacks, pops, and worm buckets just trip off your tongue, so to speak. But it takes some effort to remember you're a priest, too." By November 1967, the Father Brown detective stories, written for mystery-loving adults by G. K. Chesterton, thrilled Barty. This series of books would retain a special place in his heart for the rest of his life-as would Robert Heinlein's The Star Beast, which was among his Christmas gifts that year..After nudging the door shut with his shoulder, Barty carried the sodas out of the kitchen and forward along the hall. Pausing at the livingroom archway, he said, "Uncle Jacob?".The hall was deserted. Then a woman came out of one of the offices and walked toward the gallery, without glancing at him..Tom plucked the quarter off the glass, folded it into his right fist, and then at once opened his hand, which was now empty..Meanwhile, he became an accomplished meditator. Guided by Bob Chicane, Junior progressed from concentrative meditation with seed the mental image of a bowling pin-to meditation without seed. This advanced form is far more difficult, because nothing is visualized, and the purpose is to concentrate on making the mind utterly blank.. "You think I can turn the King's order down? You want to see me sent to row with the slaves in the galley we're building? Use your head, boy!".He returned to the house and extinguished the three blown-glass oil lamps on the living-room coffee table. Out, as

well, the silk-shade lamp..Wally-Dr. Walter Lipscomb, who delivered Angel and who became her godfather-never worried when the girl seemed to be developing too slowly, counseling that every child was an individual, with his or her particular learning pace. Wally's double specialty--obstetrics and pediatrics-gave him credibility, of course, but Celestina had worried, anyway..lawn before they knew that the prodigy's invisible cloak wouldn't accommodate him as it did the girl. Cool, drenching rain pounded Tom at once, and he scooped Barty off the steps as Grace had gathered up.Even a cool day on the pie route could produce a good sweat by journey's end, because with the addition of the men to this ambitious project, they now not only made deliveries but also performed some chores that were a problem for the elderly or disabled..Simon Magusson-capable of representing the devil himself for the proper fee, but also capable of genuine remorse-visited Vanadium in the hospital, soon after learning that the detective had awakened from a coma. The attorney shared the conviction that Cain was the guilty party, and that he'd also murdered his wife..find reason to celebrate every development in life, including the cruelest catastrophe, by discovering the bright side to even the darkest hour..They agreed that to the outside world, Barty must continue to appear to be a sightless man-or otherwise either be treated like a freak or be subjected, perhaps unwillingly, to experimentation. In the modern world, there was no tolerance for miracles. Only family could be told of this development..Weird, this kid. Making him uneasy. All in white, with her incomprehensible yammering about talking books and talking dogs and her mother driving pies, and working on a damn strange drawing for a little girl..Loved her? Of course I loved her. Naomi was beautiful and so kind ... and funny. She was the best ... the best thing that ever happened to me..Even someone of saintly habits and selfless behavior might be a monster in his heart, filled with unspeakable desires, which he might act upon only once or never..Yeah, they think we're with Candid Camera. So Jimmy points to this United Parcel truck parked across the street and says the cameras are in there..He remembered the collection of Caesar Zedd self-help drivel that had occupied a place of honor in the wife killer's former home in Spruce Hills. Cain owned a hardcover and a paperback of each of Zedd's works. The more expensive editions had been pristine, as though they were handled only with gloves; but the text in the paperbacks had been heavily underlined, and the corners of numerous pages had been bent to mark favorite passages..Awed, dropping to one knee before Barty, Tom fingered the sleeve of the boy's shirt..Well," Tom said, "those people who think it's just a trick generally react bigger than you folks, and you know it's real"..were a favorite pair when he was puttering around the house on weekends. "Oh," he said, "that dog..Writing came with reading, and in a notebook, he began to make entries about points of interest in the stories that he enjoyed. His Diary of a Book Reader, as he titled it, fascinated Agnes, who read it with his permission; these notes to himself were enthusiastic, earnest, and charming-but literally month by month, Agnes noticed that they grew less naive, more complex, more contemplative.
