But if I thought it was all tricks and lies even on Roke, I'd hate those men for fooling me, fooling us all. It can't be lies. Not all of it. The Archmage did go into the labyrinth among the Hoary Men and come back with the Ring of Peace. He did go into death with the young king, and defeat the spider mage, and come back. We know that on the word of the king himself. Even here, the harpers came to sing that song, and a teller came to tell it." Ivory went, limping only very slightly, to an old mounting-block nearby and sat down on it. He stretched his leg, nursing the torn place, and looked up at the woman. "It would take a long time to tell you what Roke is like," he said. "But it would be my pleasure." the spirit of one long dead. To see the beauty of Elfarran in the orchards of Solea, as Morred saw. The bonesetter did what he could about his broken arm and his damaged hip, the wise woman salved the cuts from the rocks on his hands and head and knees, his mother brought him all the delicacies she could find in the gardens and berry thickets; but he lay as weak and wasted as when Hound first brought him. There was no heart in him, the wise woman of Endlane said. It was somewhere else, being eaten up with worry or fear or shame..She did not wait for an answer. "I'll walk her up," she said, standing up, and put out her hand for the reins. Ivory saw that he was supposed to dismount. He did so, asking, "Is it very bad?" and peering at the horse's leg, seeing only bright, bloody foam..Down in their tiny cabin Dragonfly sat waiting for him, solemn as ever but her eyes blazing with. "He does that," the cowboy said to Gift. "Talks at em." He was amused, disdainful. He was one of Berry's drinking mates at the tavern, a decent enough young fellow, for a cowboy.. "I'll ask them their name," Medra said. He smiled. "If they'll tell me, they can come in. And when..will never return..". "I was new at the business of being Archmage then. And younger than the man we fought, and maybe not afraid enough of him. It was all the two of us could do to hold our own against him, there in the silence, in the cell in the tower. Nobody else knew what was going on. We fought. A long time we fought. And then it was over. He broke. Like a stick breaking. He was broken. But he fled away. The Summoner had spent a part of his strength for good, overcoming that blind will. And I didn't have the strength in me to stop the man when he fled, nor the wits to send anyone after him. And not a shred of power left in me to follow him with. So he got away from Roke. Clean gone..So it was. For the rest of his life, Medra kept the doors of the Great House on Roke. The garden door that opened out upon the Knoll was long called Medra's Gate, even after much else had changed in that house as the centuries passed through it. As he walked he thought; he thought hard; he recalled. He recalled all he could of matters his teacher had spoken of once only and long ago. Strange matters, so strange he had never known if they were true wizardry or mere witchery, as they said on Roke. They were not written even in Ard's lore-books, that had come down from the Great Mage Ennas of Perregal. They were all word of mouth. They were home truths..accusation.. In the third year of his reign, the young king went south to the largest island of the Archipelago, Havnor, to settle disputes among the city-states there. Returning in his "oarless longship," he came to the island Solea and there saw Elfarran, the Islewoman or Lady of Solea, "in the orchards in the spring." He did not continue on to Enlad, but stayed with Elfarran.
