Ofcourse the added benefits to get and what sort of guide can associate that you are currently reading. And now we will trouble one touse analyzing **Available Roscoe Gets A Haircut LIT** as among the material to accomplish quickly. God knows I ne'er recalled thy memory to my thought, iii. 46..When the evening evened, the king sat in his privy chamber and bade fetch the vizier, who presented himself before him, and the king required of him the promised story. So the vizier answered, "With all my heart. Know, O king, that. When Sindbad the Sailor had made an end of his story, all who were present marvelled at that which had befallen him. Then he bade his treasurer give the porter an hundred mithcals of gold and dismissed him, charging him return on the morrow, with the rest of the folk, to hear the history of his seventh voyage. So the porter went away to his house, rejoicing; and on the morrow he presented himself with the rest of the guests, who sat down, as of their wont, and occupied themselves with eating and drinking and merry-making till the end of the day, when their host bade them hearken to the story of his seventh voyage. Quoth Sindbad the Sailor,. Then the king summoned the cadí and the witnesses and bade them many the old king's daughter and sister to his own sons; so they married them, after the king had made a bride-feast three days and displayed their brides to them from eventide to peep of day. Then the two princes went in to their brides and did away their maidenhead and loved them and were vouchsafed children by them..? ? ? ? "Be thou not hard of heart," quoth I. Had ye but deigned To visit me in dreams, I had been satisfied..? ? ? ? To whom save

thee shall I complain, of whom relief implore, Whose image came to visit me, what while in dreams I lay? THE SIXTEENTH OFFICER'S STORY. When the prince came before him, he sought of him his daughter in marriage, and the king said, 'Indeed, thou art her equal, but none dare name a man to her, because of her aversion to men.' So the prince pitched his tents under the windows of the princess's palace, till one day he got hold of one of her favourite slave-girls and gave her wealth galore. Quoth she to him, 'Hast thou a wish?' 'Yes,' answered he and acquainted her with his case; and she said, 'Indeed thou puttest thyself in peril.' Then he abode, flattering himself with false hopes, till all that he had with him was gone and the servants fled from him; whereupon quoth he to one in whom he trusted, 'I am minded to go to my country and fetch what may suffice me and return hither.' And the other answered, 'It is for thee to decide.' So they set out to return, but the way was long to them and all that the prince had with him was spent and his company died and there abode but one with him, on whom he loaded what remained of the victual and they left the rest and fared on. Then there came out a lion and ate the servant, and the prince abode alone. He went on, till his beast stood still, whereupon he left her and fared on afoot till his feet swelled. Shah Bekht and his Vizier Er Rehwan, King, i. 215. When the damsel heard these verses, she wept till her clothes were drenched and drew near the old woman, who said to her, 'Knowest thou such an one?' And wept and said, 'He is my lord. Whence knowest thou him?' 'O my lady,' answered the old woman, 'sawst thou not the madman who came hither yesterday with the old woman? He was thy lord. But this is no time for talk. When it is night, get thee to the top of the palace [and wait] on the roof till thy lord come to thee and contrive for thy deliverance.' Then she gave her what she would of perfumes and returning to the chamberlain, acquainted him with that which had passed, and he told the youth. Algates ye are our prey become; this many a day and night Right instantly of God we've craved to be vouchsafed your sight. STORY OF THE THREE MEN AND OUR LORD JESUS. The king marvelled at what he saw and questioned him of [how he came by] the knowledge of this. 'O king,' answered the old man, 'this [kind of] jewel is engendered in the belly of a creature called the oyster and its origin is a drop of rain and it is firm to the touch [and groweth not warm, when held in the hand]; so, when [I took the second pearl and felt that] it was warm to the touch, I knew that it harboured some living thing, for that live things thrive not but in heat.' (209) So the king said to the cook, 'Increase his allowance.' And he appointed to him [fresh] allowances. One of the good-for-nothings found himself one day without aught and the world was straitened upon him and his patience failed; so he lay down to sleep and gave not over sleeping till the sun burnt him and the foam came out upon his mouth, whereupon he awoke, and he was penniless and had not so much as one dirhem. Presently, he came to the shop of a cook, who had set up therein his pans (9) [over the fire] and wiped his scales and washed his saucers and swept his shop and sprinkled it; and indeed his oils (10) were clear (11) and his spices fragrant and he himself stood behind his cooking-pots [waiting for custom]. So the lackpenny went up to him and saluting him, said to him, 'Weigh me half a dirhem's worth of meat and a quarter of a dirhem's worth of kouskoussou (12) and the like of bread.' So the cook weighed out to him [that which he sought] and the lackpenny entered the shop, whereupon the cook set the food before him and he ate till he had gobbled up the whole and licked the saucers and abode perplexed, knowing not how he should do with the cook concerning the price of that which he had eaten and turning his eyes about upon everything in the shop. 130. Abulhusn ed Durraj and Abou Jaafer the Leper cccclxxxi. The following story occupies the last five Nights (cxv-cc) of the unfinished Calcutta Edition of 1814-18. The only other text of it known to me is that published by Monsieur Langles (Paris, 1814), as an appendix to his Edition of the Voyages of Sindbad, and of this I have freely availed myself in making the present translation, comparing and collating with it the Calcutta (1814-18) Text and filling up and correcting omissions and errors that occur in the latter. In the Calcutta (1814-18) Text this story (Vol. II. pp. 367-378) is immediately succeeded by the Seven Voyages of Sindbad (Vol. II. pp. 378-458), which conclude the work. Then she took leave of me and I of her, after I had strained her to my bosom and embraced her and we had kissed awhile. So she went away and I abode expecting the appointed day, till it came, when I arose and went forth, intending for the trysting-place; but a friend of mine met me by the way [and would have me go home with him. So I accompanied him to his house] and when I came up [into his sitting-chamber] he locked the door on me and went forth to fetch what we might eat and drink. He was absent till mid-day, then till the hour of afternoon-prayer, whereat I was sore disquieted. Then he was absent till sundown, and I was like to die of chagrin and impatience; [and indeed he returned not] and I passed my night on wake, nigh upon death, for that the door was locked on me, and my soul was like to depart my body on account of the tryst. a. Story of Tuhfet el Culoub and Haroun er Reshid dcccclxii. When the evening evened, the king sat in his sitting-chamber and sending for his vizier, bade him relate the story of the wealthy man who lost his wealth and his wit. So he said, "Know, O king, that. 156. Khelifeh the Fisherman of Baghdad cccxxii. Then the eunuchs went forth, that they might perfume the bath [for the use of the brides]; so they essenced it with rose-water and willow-flower-water and bladders of musk and fumigated it with Cakili (191) aloes-wood and ambergris. Then Shehrazad entered, she and her sister Dinarzad, and they cleansed their heads and clipped their hair. When they came forth of the bath, they donned raiment and ornaments, [such as were] prepared for the kings of the Chosroes; and among Shehrazad's apparel was a dress charactered with red gold and wroughten with semblants of birds and beasts. Moreover, they both encircled their necks with necklaces of jewels of price, in the like whereof Iskender (192) rejoiced not, for therein were great jewels such as amazed the wit and the eye, and the thought was bewildered at their charms, for indeed, each of them was brighter than the sun and the moon. Before them they kindled lighted flambeaux in torch-holders of gold, but their faces outshone the flambeaux, for that they had eyes sharper than drawn swords and the lashes of their eyelids ensorcelled all hearts. Their cheeks were rosy and their necks and shapes swayed gracefully and their eyes wantoned. And the slave-girls came to meet them with instruments of music. When the king heard his viziers' words, he was exceeding wroth and bade bring the youth, and when he came in to the king, the viziers all cried out with one voice, saying, "O scant o' grace, thinkest thou to save thyself from slaughter by craft and guile, that thou beguilest the king with thy talk and hopest pardon for the like of this great crime which thou hast committed?" Then the king bade fetch the headsman, so he might smite off his head; whereupon each of the viziers fell a-saying, "I will slay him;" and they sprang upon him. Quoth the youth, "O king, consider and ponder these men's eagerness. Is this of envy or no? They would fain make severance between thee and me, so there may fall to them what they shall plunder, as aforetime." And the king said to him, "Consider their testimony against thee." "O king," answered the young man, "how shall they testify of that which they saw not? This is but envy and rancour; and thou, if thou slay me, thou wilt regret me, and I fear lest there betide thee of repentance that which betided Ilan Shah, by reason of the malice of his viziers." "And what is his story?" asked Azadbekht. "O king," replied the youth, Beauty on his cheek hath written, "Blest be Allah, He who created this enchanting wight!". Then said the Khalif to her, 'Repeat thy playing, O Tuhfeh.' So she repeated it and

he said to her, 'Well done!' Moreover, he said to Ishac, 'Thou hast indeed brought me that which is extraordinary and worth in mine eyes the empire of the earth.' Then he turned to Mesroul the eunuch and said to him, 'Carry Tuhfeh to the lodging of honour.' (189) Accordingly, she went away with Mesroul and the Khalif looked at her clothes and seeing her clad in raiment of choice, said to Ishac, 'O Ishac, whence hath she these clothes?' 'O my lord, answered he, 'these are somewhat of thy bounties and thy largesse, and they are a gift to her from me. By Allah, O Commander of the Faithful, the world, all of it, were little in comparison with her!' Then the Khalif turned to the Vizier Jaafer and said to him, 'Give Ishac fifty thousand dirhems and a dress of honour of the apparel of choice.' 'Hearkening and obedience,' replied Jaafer and gave him that which the Khalif ordered him..They ate and drank and sported and made merry awhile of the day; and as they were thus engaged, up came the master of the house, with his friends, whom he had brought with him, that they might carouse together, as of wont. He saw the door opened and knocked lightly, saying to his friends, 'Have patience with me, for some of my family are come to visit me; wherefore excuse belongeth [first] to God the Most High, and then to you.' (263) So they took leave of him and went their ways, whilst he gave another light knock at the door. When the young man heard this, he changed colour and the woman said to him, 'Methinks thy servant hath returned.' 'Yes,' answered he; and she arose and opening the door to the master of the house, said to him, 'Where hast thou been? Indeed, thy master is wroth with thee.' 'O my lady,' answered he, 'I have but been about his occasions.' King Dabbin and his Viziers, Story of, i. 104..As stated In the Prefatory Note to my "Book of the Thousand Nights and One Night," four printed Editions (of which three are more or less complete) exist of the Arabic text of the original work, namely those of Calcutta (1839-42), Boulac (Cairo), Breslau (Tunis) and Calcutta (1814-18). The first two are, for purposes of tabulation, practically identical, one whole story only, (222) of those that occur in the Calcutta (1839-42) Edition, (which is the most complete of all,) being omitted from that of Boulac; and I have, therefore, given but one Table of Contents for these two Editions. The Breslau Edition, though differing widely from those of Calcutta (1839-42) and Boulac in contents, resembles them in containing the full number (a thousand and one) of Nights, whilst that of Calcutta (1814-18) is but a fragment, comprising only the first two hundred Nights and the Voyages of Sindbad, as a separate Tale..101. The Mad Lover cccxi.36. The Mock Khalif dxliiii.Next morning, up came the Cadi, with his face like the ox-eye, (104) and said, "In the name of God, where is my debtor and where is my money?" Then he wept and cried out and said to the prefect, "Where is that ill-omened fellow, who aboundeth in thievery and villainy?" Therewith the prefect turned to me and said, "Why dost thou not answer the Cadi?" And I replied, "O Amir, the two heads (105) are not equal, and I, I have no helper but God; but, if the right be on my side, it will appear." At this the Cadi cried out and said, "Out on thee, O ill-omened fellow! How wilt thou make out that the right is on thy side?" "O our lord the Cadi," answered I, "I deposited with thee a trust, to wit, a woman whom we found at thy door, and on her raiment and trinkets of price. Now she is gone, even as yesterday is gone; and after this thou turnest upon us and makest claim upon me for six thousand dinars. By Allah, this is none other than gross unright, and assuredly some losel of thy household hath transgressed against her!".? ? ? ? ? And left me all forlorn, to pine for languishment,.The wife of the shopkeeper, to wit, the nurse, came out, with the rest of those who came out, to divert herself with gazing upon the show, and when she saw El Abbas and beheld his beauty and the goodliness of his army and that which he had brought back with him of herds and slaves and slave-girls and mamelukes, she improvised and recited the following verses:..? ? ? ? ? But, when from home it fares, forthright all glory it attains And 'twixt the eyelid and the eye incontinent 'tis dight..? ? ? ? ? "Knoweth my loved one when I see her at the lattice high Shine as the sun that flameth forth in heaven's blue demesne?".? ? ? ? ? Lo, since the day I left you, O my masters, Life is not sweet, no aye my heart is light.
