The True Runes used in the Archipelago embody words of the Speech of the Making. True Runes are not symbols only, but reifactors: they can be used to

bring a thing or condition into being or bring about an event. To write such a rune is to act. The power of the action varies with the circumstances. Most of the True Runes are found only in ancient texts and lore-books, and used only by wizards trained in their use; but a good many of them, such as the symbol written on the door lintel to protect a house from fire, are in common use, familiar to unlearned people..Hound came in on her heels. In the Archipelago, the lore of the Old Powers was still part of the profound, common basis of thought and reverence. On all the islands, the arts mostly practiced by witches, such as midwifery, healing, animal husbandry, dousing, mining and metallurgy, planting and growing spells, love spells, and so on, often invoked or drew upon the Old Powers. But the learned wizards of Roke had generally come to distrust the ancient practices and made no appeal to the "Powers of the Mother." Ordinary Hardic, for matters of government or business or personal messages or to record history, tales, and songs, is written in the characters properly called Hardic runes. Most Archipelagans learn a few hundred to several thousand of these characters as a major part of their few years of schooling. Spoken or written, Hardic is useless for casting spells. Licky did not take him into the roaster tower, but back to the barracks. From a locked room he thoughtful look. "Don't be angry," I said, emptying the cup, and poured myself another one. "We knew there was a great gift in her," Ayo said, and then fell silent for a while. "We didn't. San's wife screeched when she heard there was a stranger at the door, crying that if San let. Anieb kept a better pace than seemed possible in a woman so famished and destroyed, walking almost naked in the chill of the rain. All her will was aimed on walking forward; she had nothing else in her mind, not him, not anything. But she was there bodily with him, and he felt her presence as keenly and strangely as when she had come to his summoning. The rain ran down her naked head and body. He made her stop to put on his shirt. He was ashamed of it, for it was filthy, he having worn it all these weeks. She let him pull it over her head and then walked right on. She could not go quickly, but she went steadily, her eyes fixed on the faint cart track they followed, till the night came early under the rain clouds, and they could not see where to set their feet. The witch listened, unable to resist the lure of secrets revealed and the contagion of passionate desire. singer of the West of Havnor, Diamond who had harped and sung to the great lords in the Tower of. "Thank you for these and the shoes," he said, and thanking her for the gift, remembered her use-name but said only, "mistress.". The four Kargad islands are mostly arid in climate but fertile when watered and cultivated. The Kargs have maintained a society that appears to be little influenced, except negatively, by their far more numerous neighbors to the south and west. Diamond had run away. There was silence. It would not be easy for me, I thought, to stomach this new world. And he stopped to listen, and heard nothing. "You have a gift for the business," Crow said. "You know where to look. Went straight to that bestiary in the barn loft... But there's nothing much to look for here. Nothing of importance. Ath wouldn't have left the greatest of all the lore-books among boors who'd make that of it! Take us to Pody if you like. And then back to Orrimy. I've had about enough."
