But she thought with love of the roads and fields of Way..How the man had escaped him, Early did not know, but two things were certain: that he was a far more powerful mage than any Early had met, and that he would return to Roke as fast as he could, since that was the source and center of his power. There was no use trying to get there before him; he had the lead. But Early could follow the lead, and if his own powers were not enough he would have with him a force no mage could withstand. Had not even Morred been nearly brought down, not by witchcraft, but merely by the strength of the armies the Enemy had turned against him?."Nonsense! Not history!" said the old Namer. "The first Archmage came centuries after the last. He sat up. The dark sea was so quiet that the stars were reflected here and there on the sleek lee side of the long swells. Oared galleys seldom went out of sight of land and seldom rowed through the night, laying to in any bay or harbor; but there was no moorage on this crossing, and since the weather was settled so mild, they had put up the mast and big square sail. The ship drifted softly forward, her slave oarsmen sleeping on their benches, the free men of her crew all asleep but the helmsman and the lookout, and the lookout was dozing. The water

whispered on her sides, her timbers creaked a little, a slaves chain rattled, rattled again.. "They said you should give me my name," said Dragonfly. "Father fell to raging. So that's that." say. But you should know that leaving Roke may be even harder than coming to it. Prison within. Otter stated it as an unfortunate fact, not as a moral assertion. Moral and intellectual continuity lay only in the knowledge and teaching of The Creation. THE ISLAND OF SEMEL lies north and west across the Pelnish Sea from Havnor, south and west of the Enlades. Though it is one of the great isles of the Earthsea Archipelago, there aren't many stories from Semel. Enlad has its glorious history, and Havnor its wealth, and Pain its ill repute, but Semel has only cattle and sheep, forests and little towns, and the great silent volcano called Andanden standing over all.. "I don't know," he said.. ten days starving in the cold to cure his beasts! San's got nothing but copper, but Alder can pay. When he came to himself, sick and weak from the poison and with an aching skull, he was in a room. He told Dragonfly very little of his plans, largely because he made few, trusting to chance and his own wits, which seldom let him down if he was given a fair chance to use them.
