We're the place to get for the book. And your time to get this specific guide since among the compromises has already become ready. ? ? ? ? Know, then, the woes that have befall'n a lover, neither grudge Her secret to conceal, but keep her counsel still, I pray..? ? ? ? i. The Spider and the Wind dccccviii.Abbas (EI) and the King's Daughter of Baghdad, iii. 53..The ship tarried with him some days, till he should be certified what he would do, (104) and he said, 'I will enquire of the merchants what this merchandise profiteth and in what country it lacketh and how much is the gain thereon.' [So he questioned them and] they directed him to a far country, where his dirhem should profit a hundredfold. Accordingly, he set sail and steered for the land in question; but, as he went, there blew on him a tempestuous wind and the ship foundered. The merchant saved himself on a plank and the wind cast him up, naked as he was, on the sea-shore, hard by a town there. So he praised God and gave Him thanks for his preservation; then, seeing a great village hard by, he betook himself thither and saw, seated therein, a very old man, whom he acquainted with his case and that which had betided him. The old man grieved sore for him, when he heard his story, and set food before him. So he ate and the old man said to him, 'Abide here with me, so I may make thee my steward and factor over a farm I have here, and thou shall have of me five dirhems (105) a day.' 'God make fair thy reward,' answered the merchant, 'and requite thee with benefits!'.98. Isaac of Mosul and the Merchant ccccvii.85. Isaac of Mosul and the Merchant dclxx.Vizier's Daughters, The Two Kings and the, iii. 145.Clemency, Of, i. 120..There was once, of old time, in one of the tribes of the Arabs, a woman great with child by her husband, and they had a hired servant, a man of excellent understanding. When the woman came to [the time of her] delivery, she gave birth to a maid-child in the night and they sought fire of the neighbours. So the journeyman went in quest of fire..107. Abou Suweid and the Handsome Old Woman ccccxiii.At this Queen Kemeriyeh was moved to exceeding delight and drank off her cup, saying, 'Well done, O queen of hearts!' Moreover, she took off a surcoat of blue brocade, fringed with red rubies, and a necklace of white jewels, worth an hundred thousand dinars, and gave them to Tuhfeh. Then she passed the cup to her sister Zelzeleh, who had in her hand sweet basil, and she said to Tuhfeh, 'Sing to me on this sweet basil.' 'Harkening and obedience,' answered she and improvised and sang the following verses:.Singer and the Druggist, The, i. 229..So the sharper took the two thousand dinars and made off; and when he was gone, the merchant said to his friend, the [self-styled] man of wit and intelligence, 'Harkye, such an one! Thou and I are like unto the hawk and the locust.' 'What was their case?' asked the other; and the merchant said,..Assemble, ye people of passion, I pray, iii. 31..When the morning morrowed, the draper went out, still angered against his wife, and the old woman returned to her and found her changed of colour, pale of face, dejected and heart-broken. [So she questioned her of the cause of her dejection and she told her how her husband was angered against her (as she supposed) on account of the burns in the turban-cloth.] "O my daughter," rejoined the old woman, "be not concerned; for I have a son, a fine-drawer, and he, by thy life, shall fine-draw [the holes] and restore the turban-cloth as it was. "The wife rejoiced in her saying and said to her, "And when shall this be?" "To-morrow, if it please God the Most High," answered the old woman, "I will bring him to thee, at the time of thy husband's going forth from thee, and he shall mend it and depart forth-right." Then she comforted her heart and going forth from her, returned to the young man and told him what had passed..Bunducdari (EI) and the Sixteen Officers of Police, El Melik ez Zahir Rukneddin Bibers, ii. 117..When the appointed day arrived, the chief of the police set apart for his officers a saloon, that had windows ranged in order and giving upon the garden, and El Melik ez Zahir came to him, and he seated himself, he and the Sultan, in the alcove. Then the tables were spread unto them for eating and they ate; and when the cup went round amongst them and their hearts were gladdened with meat and drink, they related that which was with them and discovered their secrets from concealment. The first to relate was a man, a captain of the watch, by name Muineddin, whose heart was engrossed with the love of women; and he said, 'Harkye, all ye people of [various] degree, I will acquaint you with an extraordinary affair which befell me aforetime. Know that.? ? ? ? By God, forgetfulness of her shall never cross my mind, What while I wear the bonds of life nor when of death they're rent.Some misconception seems to exist as to the story of Seif dhoul Yezen, a fragment of which was translated by Dr. Habicht and included, with a number of tales from the Breslau Text, in the fourteenth Vol. of the extraordinary gallimaufry published by him in 1824-5 as a complete translation of the 1001 Nights (224) and it has, under the mistaken impression that this long but interesting Romance forms part of the Book of the Thousand Nights and One Night, been suggested that a complete translation of it should be included in the present publication. The Romance in question does not, however, in any way, belong to my original and forms no part of the Breslau Text, as will be at once apparent from an examination of the Table of Contents of the latter (see post, p. 261), by which all the Nights are accounted for. Dr. Habicht himself tells us, in his preface to the first Vol. of the Arabic Text, that he found the fragment (undivided into Nights) at the end of the fifth Volume of his MS., into which other detached tales, having no connection with the Nights, appear to have also found their way. This being the case, it is evident that the Romance of Seif dhoul Yezen in no way comes within the scope of the present work and would (apart from the fact that its length would far overpass my limits) be a manifestly improper addition to it. It is, however, possible that, should I come across a suitable text of the work, I may make it the subject of a separate publication; but this is, of course, a matter for future consideration..The Fifth Night

of the Month.???? How oft I've waked, how many a cup of sorrow have I drained, Watching the stars of night go by, for sleepless languishment!.As stated In the Prefatory Note to my "Book of the Thousand Nights and One Night," four printed Editions (of which three are more or less complete) exist of the Arabic text of the original work, namely those of Calcutta (1839-42), Boulac (Cairo), Breslau (Tunis) and Calcutta (1814-18). The first two are, for purposes of tabulation, practically identical, one whole story only, (222) of those that occur in the Calcutta (1839-42) Edition, (which is the most complete of all,) being omitted from that of Boulac; and I have, therefore, given but one Table of Contents for these two Editions. The Breslau Edition, though differing widely from those of Calcutta (1839-42) and Boulac in contents, resembles them in containing the full number (a thousand and one) of Nights, whilst that of Calcutta (1814-18) is but a fragment, comprising only the first two hundred Nights and the Voyages of Sindbad, as a separate Tale..There was once a sage of the sages, who had three sons and sons' sons, and when they waxed many and their posterity multiplied, there befell dissension between them. So he assembled them and said to them, 'Be ye one hand (219) against other than you and despise (220) not [one another,] lest the folk despise you, and know that the like of you is as the rope which the man cut, when it was single; then he doubled [it] and availed not to cut it; on this wise is division and union. And beware lest ye seek help of others against yourselves (221) or ye will fall into perdition, for by whosoever means ye attain your desire, (222) his word (223) will have precedence of (224) your word. Now I have wealth which I will bury in a certain place, so it may be a store for you, against the time of your need.'???? r. Prince Behram of Persia and the Princess Ed Detma dccccxciv.The Eleventh Night of the Month..72. Haroun er Reshid and the three Girls ccclxxxvii.So the thief entered, he and the husband; and when they were both in the chamber, she locked on them the door, which was a stout one, and said to the thief, 'Out on thee, O fool! Thou hast fallen [into the trap] and now I have but to cry out and the officers of the police will come and take thee and thou wilt lose thy life, O Satan!' Quoth he, 'Let me go forth;' and she said, 'Thou art a man and I am a woman; and in thy hand is a knife and I am afraid of thee.' Quoth he, 'Take the knife from me.' So she took the knife from him and said to her husband, 'Art thou a woman and he a man? Mar his nape with beating, even as he did with thee; and if he put out his hand to thee, I will cry out and the police will come and take him and cut him in sunder.' So the husband said to him, 'O thousand-horned, (248) O dog, O traitor, I owe thee a deposit, (249) for which thou dunnest me.' And he fell to beating him grievously with a stick of live-oak, whilst he called out to the woman for help and besought her of deliverance; but she said, 'Abide in thy place till the morning, and thou shalt see wonders.' And her husband beat him within the chamber, till he [well- nigh] made an end of him and he swooned away..There abode once, of old days and in bygone ages and times, in the city of Baghdad, the Abode of Peace, the Khalif Haroun er Reshid, and he had boon-companions and story-tellers, to entertain him by night Among his boon-companions was a man called Abdallah ben Nan, who was high in favour with him and dear unto him, so that he was not forgetful of him a single hour. Now it befell, by the ordinance of destiny, that it became manifest to Abdallah that he was grown of little account with the Khalif and that he paid no heed unto him; nor, if he absented himself, did he enquire concerning him, as had been his wont. This was grievous to Abdallah and he said in himself, "Verily, the heart of the Commander of the Faithful and his fashions are changed towards me and nevermore shall I get of him that cordiality wherewith he was wont to entreat me." And this was distressful to him and concern waxed upon him, so that he recited the following verses:???? The dwellings, indeed, one and all, I adorned, Bewildered and dazed with delight at your view;.Now the king's vizier had two daughters, own sisters, the elder of whom had read books and made herself mistress of [all] sciences and studied the writings of the sages and the histories of the boon-companions, (160) and she was possessed of abundant wit and knowledge galore and surpassing apprehension. She heard that which the folk suffered from the king and his despiteous usage of their children; whereupon compassion gat hold upon her for them and jealousy and she besought God the Most High that He would bring the king to renounce that his heresy, (161) and God answered her prayer. Then she took counsel with her younger sister and said to her, 'I mean to contrive somewhat for the liberation of the people's children; and it is that I will go up to the king [and offer myself to him], and when I come to his presence, I will seek thee. When thou comest in to me and the king hath done his occasion [of me], do thou say to me, 'O my sister, let me hear and let the king hear a story of thy goodly stories, wherewithal we may beguile the waking hours of our night, till we take leave of each other.' 'It is well,' answered the other. 'Surely this contrivance will deter the king from his heresy and thou shalt be requited with exceeding favour and abounding recompense in the world to come, for that indeed thou adventrest thyself and wilt either perish or attain to thy desire.'
