NED--"CALL ME NEDDY"--Gnathic was as slim as a flute, with a flute-quantity of holes in his head from which thought could escape before the pressure of it built into an unpleasant music within I his skull. His voice was always soft and harmonious, but frequently he spoke allegro, sometimes even prestissimo, and in spite of his mellow tone, Neddy at maximum tempo was as irritating to the ear as bagpipes bleating out Bolero, if such a thing were possible..Without excellence, of course, there would be no civilization, no progress, no joy; and Agnes was surprised that this sharp bur of her father's philosophy had stuck deep in her subconscious, prickling and worrying her unnecessarily. She'd thought that she was entirely clean of his influence..He got in the Suburban, pulled the door shut, but didn't at once start the engine..Fortunately, at least the desk was cigarette-scarred, because it came with the office. It had been the property of a skip-tracer named Otto Zelm, who'd made a good living at the kind of work Nolly avoided out of boredom: tracking down deadbeats and repossessing their vehicles. On a stakeout, Zelm fell asleep in his car, while smoking, thereby triggering the payoff of both life- and casualty-insurance policies, and freeing the lease on this furnished space..When you construct or reconstruct a world that never existed, a wholly fictional history, the research is of a somewhat different order, but the basic impulse and techniques are much the same. You look at what happens and try to see why it happens, you listen to what the people there tell you and watch what they do, you think about it seriously, and you try to tell it honestly, so that the story will have weight and make sense..Junior reached the window seat and stared down at her. "I don't believe that's true."..Junior stepped back and squeezed off two shots, aiming for the lock. One round tore a chunk out of the jamb, but the other cracked through the door, shattering more than wood, and the brass knob wobbled and almost fell out..Being ruthlessly honest with himself, as always, he acknowledged that killing Tammy would not solve his problem. She might have told friends and colleagues about the Rolex, just as she had surely shared with her girlfriends the juiciest details about Junior's unequaled lovemaking. During the two months that he and the cat woman dated, others had heard her call him Eenie. He couldn't kill Tammy and all her friends and colleagues, at least not on a timely enough schedule to thwart the police..Through fog-shrouded hills forested with oaks, maples, madrones, and pepperwoods, through magnificent stands of redwoods that towered three hundred feet, he arrived in Weott on the evening of January 3, 1968, where he stayed the night. If Paul had any northernmost goal for this trip, it was the city of Eureka, almost fifty miles farther-and for no reason, other than to eat Humboldt Bay crabs at their origin, because that was one of his and Perri's favorite foods..Although she had slept well and though her hemorrhaging had been successfully arrested, Agnes was too weak to manage breakfast alone. A simple spoon was as heavy and as unwieldy as a shovel..Because of the events regarding Barty and Angel back in January, Celestina, Grace, and Wally were no longer displaced persons waiting to return to San Francisco. They had begun anew here in Bright Beach; and judging by all indications, they were going to be as happy and as occupied with useful work as it was possible to be on this troubled side of the grave..Setting out after dark, Paul had walked south, following the coastal highway. He was accompanied by the windy rush of passing traffic, but later only by the occasional cry of a blue heron, the whisper of a salty breeze in the shore grass, and the murmur of the surf. Without pushing himself too hard, he reached La Jolla by dawn..The quarter, surely. The one that had not been in his robe pocket where it should have been, the previous Friday..After she flushed, Angel stood on a stepstool and washed her hands at the sink..Quick introductions were made in the process of moving from the porch to the foyer, and Agnes said, "Come on back to the kitchen, I'm baking pies."..The high point of his day was coming home to Perri. They met when they were thirteen, married at twenty-two. In May they would celebrate their twenty-third anniversary..Usually, he remained still, tense, listening, until enough silence convinced him that the sounds he'd heard had been in the dream, not in the real world. If silence didn't settle him, he went into the living room, only to discover that she was always where he had left her, fork-and-fan-blade face wrenched in a soundless scream..Junior had thought the news was the lab report, which had found no ipecac in his spew. All that had been distraction..And the mills of capitalism provide them. Supply meets demand. Fantasy becomes a commodity, an industry..The voice continued, issuing from a device that stood on the desk beside the phone. "Please don't bang up. This is a telephone answering machine Leave a message after you bear the tone, and I will return your call later ."..When we pull away, people are waving across the street at the UPS truck, and the driver, he sees them, and he stands there, kind of confused, and then he waves back."..Nothing in his reading offered a satisfactory explanation for what had been happening to him. None of the women filled the hole in his heart, and all of the Bartholomews were harmless. Only the needlepoint offered any satisfaction, but though Junior was proud of his craftsmanship, he knew that a grown man couldn't find fulfillment in stitchery alone..Hackachaks to browbeat him into a despairing, exhausted, disgusted compliance with their greed..That last part was true. He just wasn't loose in this world anymore. And in the world to which he'd gone, he would not find easy victims..He knew that the only movement in those staring, sightless eyes was the restless reflection of the flashlight beam as he probed the trash with it. He knew he was being irrational, but nevertheless he was reluctant to turn his back on the corpse. Repeatedly in the midst of searching, he snapped his head up, whipping his attention to Neddy, certain that from the corner of his eye, he had seen the dead gaze following him..The kitchen door stood open and full of light, but he missed it by two feet. He felt along the back wall of the house, discovered the door casing and then the opening, probed with the cane for the threshold, and stepped into the doorway..He needed to keep moving, conduct the search, find the watch, and get the hell out of here, but he couldn't stop staring at the musician. Something about the cadaver made him nervous-aside from the fact that it was dead and disgusting and, if he was caught with it, a one-way ticket to the gas chamber.."That would be wrong. A diary's private." He supposed that to a detective nothing was sacred, but he was nonetheless a little shocked that Vanadium needed to ask that question..When people didn't apply themselves to positive goals, to making better lives for themselves, they spent their energy in wickedness. Then..Junior must have shouted shut up more than he realized, because the neighbors began to pound on the wall to silence him..As Lipscomb picked up the freshened baby, Grace said, "That was as effective as any minister's wife could've been with an impossible parishioner-and, oh, do I wish we could sometimes be that pointed."..He's not a real contemporary person, not anyone Cain needs to fear. So how did he develop this obsession with finding someone named Bartholomew?" He met Celestina's eyes, as if she might have answers for him. "Is there a real Bartholomew? And how does this tie in with his assault on you? Or is there any tie-in at all?"..He was uncharacteristically restive. His stoic nature, his long learned Jesuit philosophy regarding the acceptance of events as they unfold, and the

acquired patience of a homicide detective were insufficient to prevent frustration from taking root in him. In the more than two months since Enoch Cain vanished, following the murder of Reverend White, no trace of the killer had been found. Week by week, the slender sapling of frustration had grown into a tree and then into a forest, until Tom began every morning by looking out through the tightly woven branches of impatience.
